Hello Brother.

Well I am finally married, been on my honeymoon and my perlaugh is up. Now I am stationed at a camp where I'll be there for some time. At least I can say to write to this address and maybe I'll get some mail. You see everyone thought I went home so they sent all my letters back to the states. I haven't got a letter from anyone in a long long time. I don't get any news from anyone so that makes it kind of bad, it keeps me worrying I don't know what is going on.

In case you don't know it you have a sister-in-law now. I had a pretty good time for my honeymoon, spent it in Florence that's just about 20 miles where she lives. I sent her back to Pestovii though you see she has been pretty sick, stomach trouble I guess. To tell you the truth I think she is pregnant. I don't know for sure though, it is kind of soon to find out. I'll let you know more about it when I know better. What a life, and I'm getting in trouble. Her being pregnant

so soon as spoiling a lot of new plans. I didn't expect to have one so soon. I guess I stepped up a bit. Some times I think that I am really stupid. Oh well life is what you make of it and I guess I'll have to make the best of it. The wedding came out swell. I sure wish you were there to see it. She looked really pretty dressed in white. We had quite a few pictures taken and as soon as I get a chance I'll send you some. I'm making arrangements for her to get to the states but she still has to wait about 3 or 4 months more. I guess is a lot of red tape. I bet your wondering when I am coming home, well it will be a couple more months for me too. Being married is making matters worst. I'll be home for Christmas though.

Just to Frank, I want you to do me a big favor. I want you to send me a couple cartons of cigarettes if you can, or as many as you can send me. Let me know how much you pay for them & then I will settle with you. And let me know if you can keep on sending them to me. So they are given as possible. If it don't give you any trouble. So long best and good luck. I hope you get home soon I sure would like to see you. Brother
