EAST CAROLINA'S PRESIDENT AND COACH

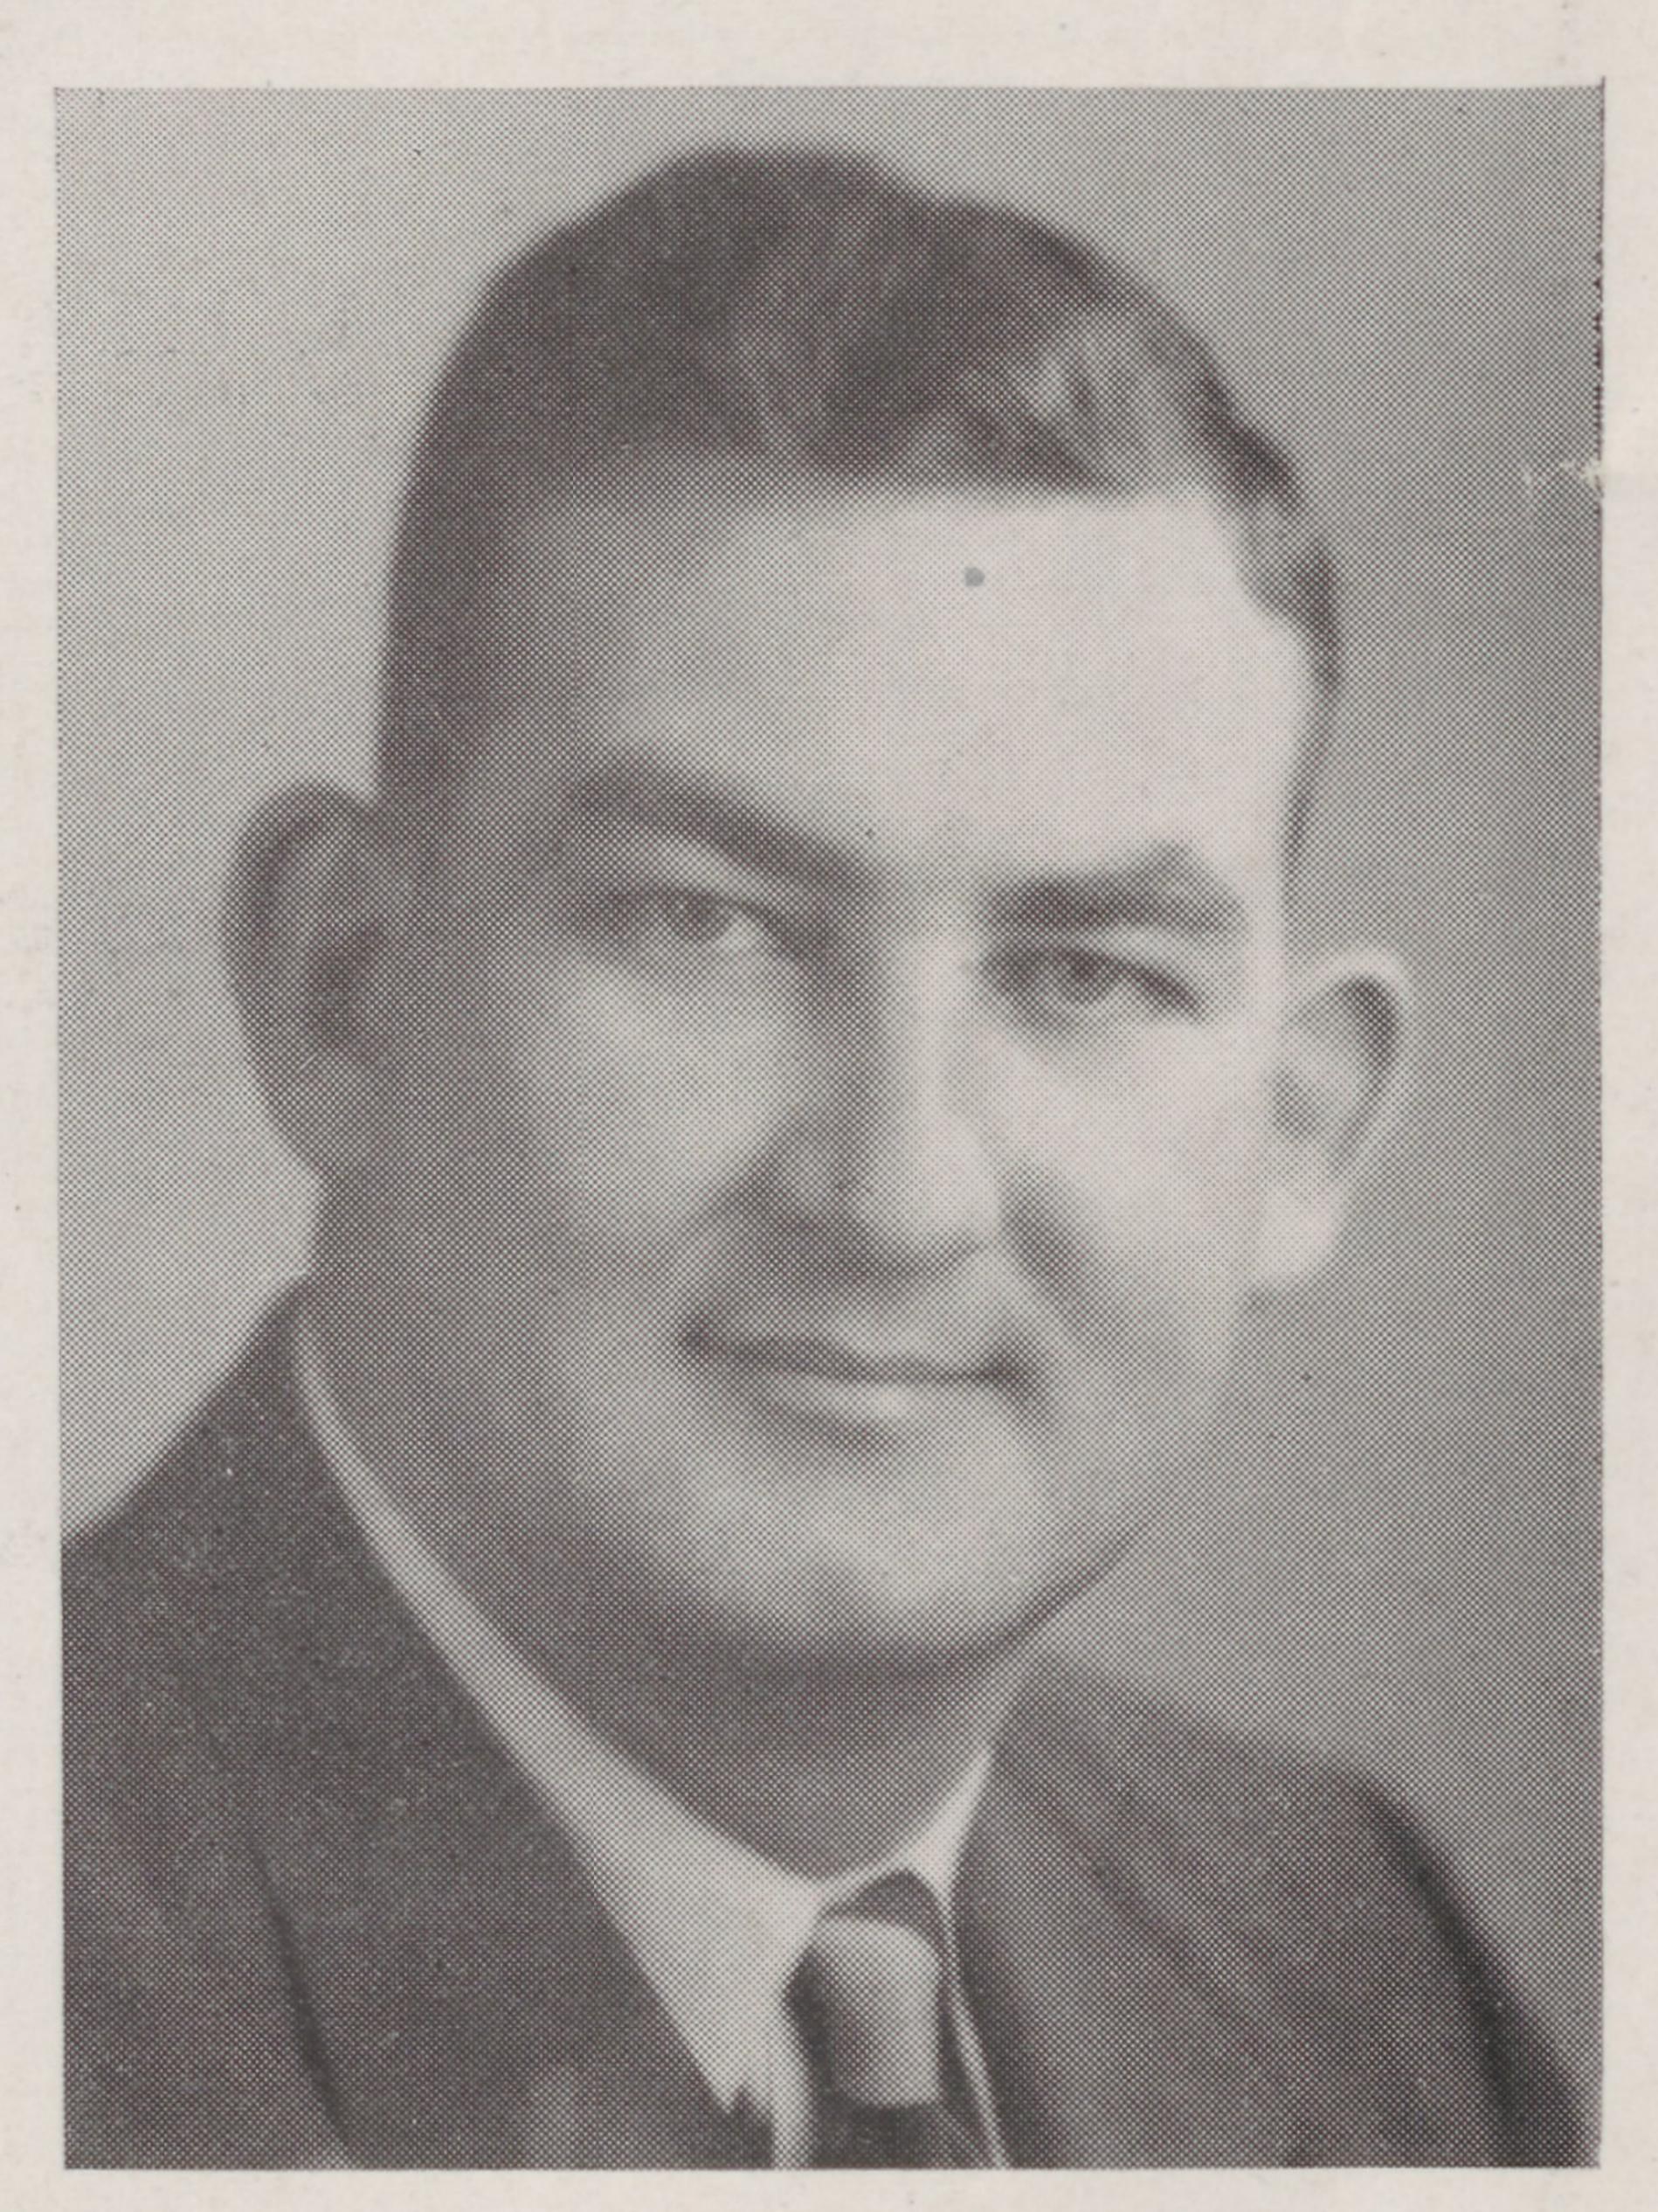

Dr. Dennis H. Cooke President

The main purpose of our athletic program is to furnish an opportunity for the many GI's and other men students to take part in a vigorous and entertaining sports program and to give the other students a chance to see their school teams compete against other small college teams. I think the athletic program will have a wholesome effect upon the morale of the school, and will do much to establish a bond of unity and a feeling of oneness so necessary for the development of a spirit of loyalty and devotion.

JAMES A. JOHNSON, Head Coach As a means of developing a sense of fair play, a spirit of co-operation and team work, the ability to "give and take," good sportsmanship, good health, strong physical bodies, and a fine school spirit an adequate and comprehensive athletic program is indispensable.

We heartily welcome our visiting teams and their supporters and hope that you will enjoy your visit with us. May the game be played hard and every player give a fine exhibition of good sportsmanship.

DENNIS H. COOKE, President

HENRY RENFREW

Four lettermen of the Pirate squad in days gone-by have donned the purple and gold once again this season.

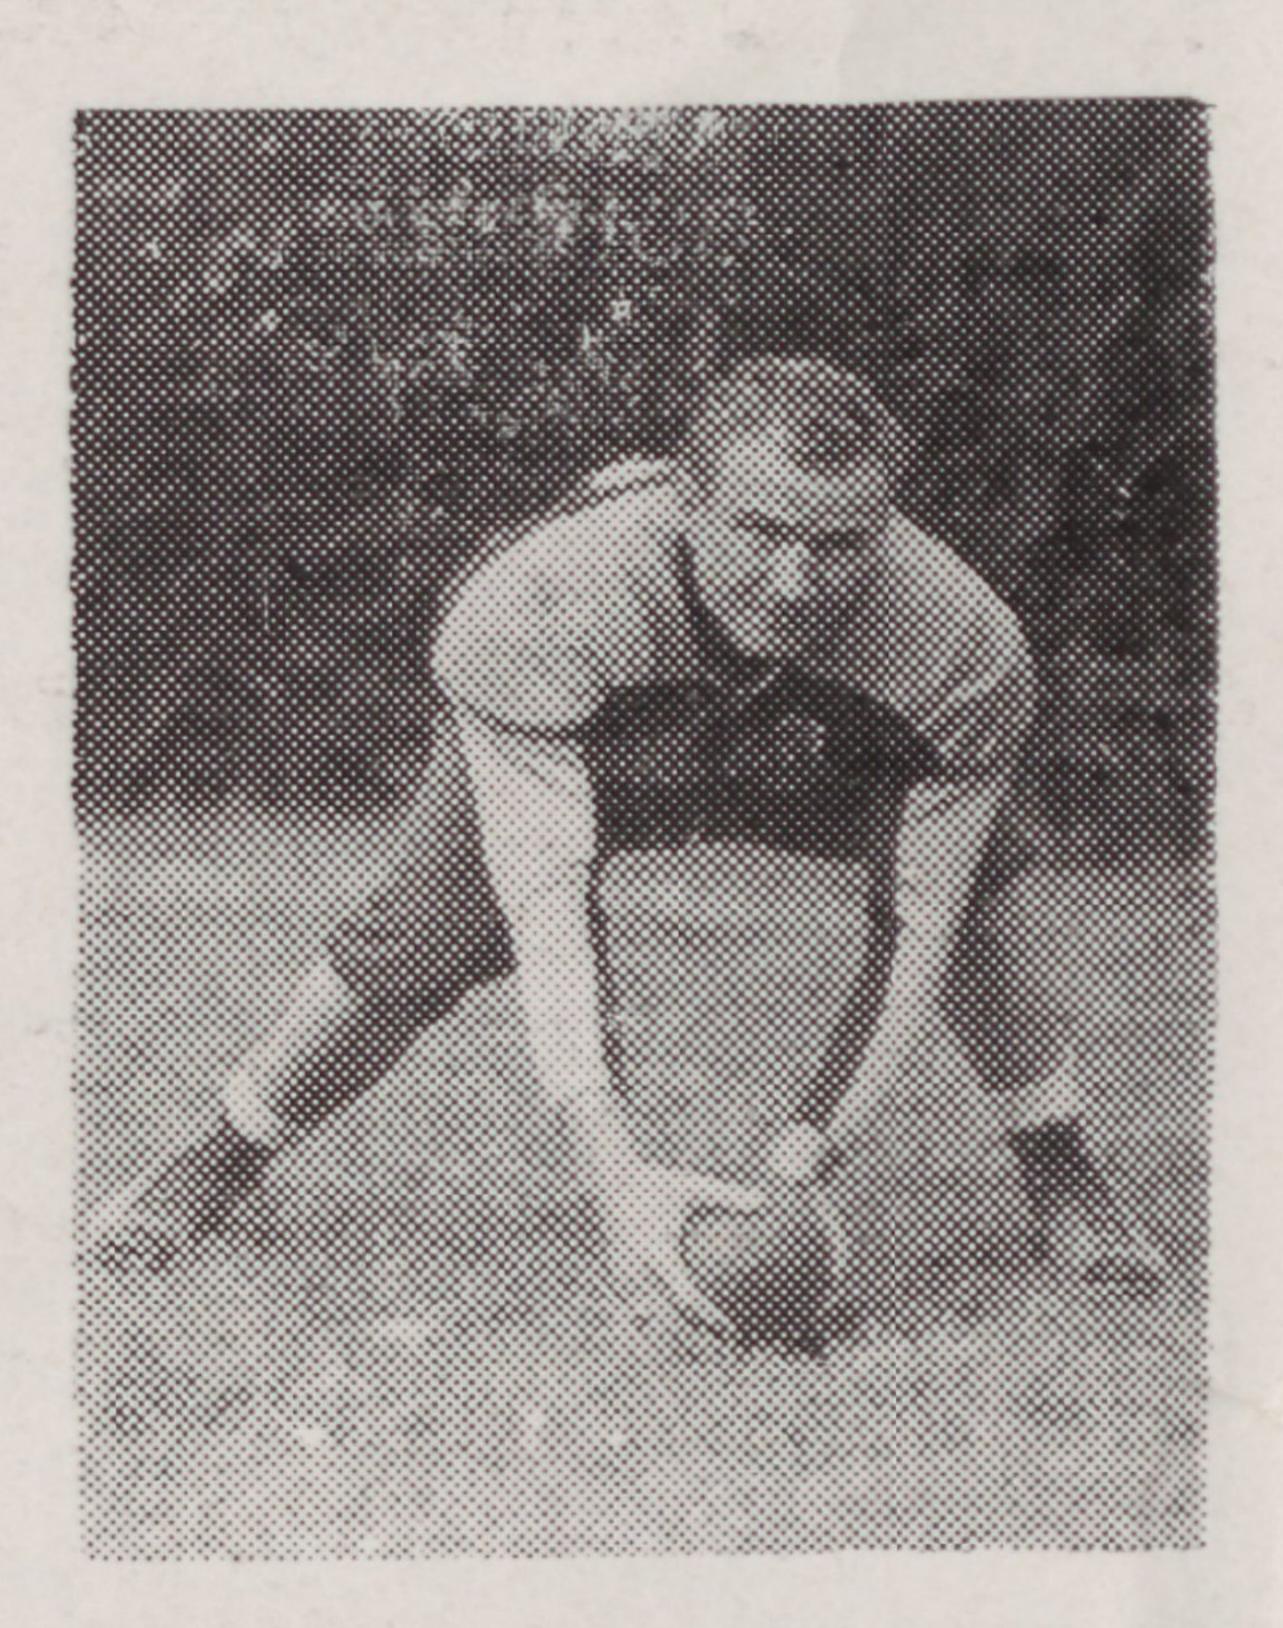

JOE WILLIAMS, a graduate of Greenville High School and a veteran of the '39 and '40 Pirate squads, reappeared at the opening practice sessions this fall. Five feet ten inches tall and weighing 170 lbs., Joe tried out for a backfield position but has now shifted to guard. After spending 47 menths in the army, he has returned to school, a senior majoring in physical education and history.

EVERETT Hudson, center on the great '41 team is back this year after four years with the Army Air Force. Hudson played four years for the Thomasville High team

before entering East Carolina in 1940, at which time he was playing the tackle position. In 1941 he switched to the center position and played one year before entering the service. Everett is a senior majoring in commerce and physical education.

ROBERT "BOB" MILLER, a graduate of Asheville High School, is no novice to the Pirate line-up. Five feet eleven inches tall and weighing 182 pounds, Bob played two years with Asheville High and was holding down a guard position on Coach Christenbury's 1941 undefeated and untied team. He is back on campus after spending 40 months with the AAF and has gained the number one spot at right guard. Bob is a junior majoring in science.

N. J. "NICK" ZURAS is back after

spending 36 months with the U. S. Navy. Nick is another member of the undefeated and untied team of '41, and his long driving punts are well remembered by those who were here at that time. Undecided as to whether he would try out for the team this season, it was recently that he turned up for the fall practice.

COLLEGE SONG AND CAMPUS SCENE

Alma Mater

Praise to your name so fair,
Dear old East Carolina.
Your joys we'll all share
And your friends we'll ever be.
We pledge our loyalty,
And our hearts devotion.
To thee our Alma Mater,
Love and praise.

Harold A. McDougle, '44

Lift your voice in praise,
Of our beloved Alma Mater;
Loud the anthem raise
To East Carolina Teachers College.
Honor and adore
The school of which we sing so proudly,
We'll uphold her ever
Her praise ring.

Chorus: Hail to our dear college

Loyal ever we will be;
Keep her colors flying always,
Proudly, brave and free.
Dear old Teachers College,
East Carolina sings her praise,
Hail to thee, our Alma Mater,
Hail! Hail! Hail!
