

others. You can say to Mrs
 Lotten I have endeavored
 to carry out her wishes in
 regard to Annie's bill with
 Mrs Bryan, and have discharged
 \$114. of the amount, leaving
 a balance on this and other
 bill unpaid of \$105. I shall
 during the year collect some
 other interest and will prob-
 ably be able to pay \$25. or
 \$30. more. So far as I am
 aware Mary's and Andrew's
 bills have all been paid ex-
 cept Taxes. With kind regards
