

RESOLUTION FOR PRESIDENT FRIDAY

Be it resolved that the Faculty Senate of East Carolina University ask President Friday to petition the legislature on behalf of the Faculties of the University of North Carolina, in particular, and all state employees, in general, to strive for in its adopted budget a salary increment for all state employees that will allow said employees to at least maintain their current standard of living.

AMENDMENT TO UNIVERSITY CODE

Amendment to Section C.1 of the East Carolina Code concerning the "definition of a full-time faculty member".

"A full-time faculty person is defined for the purpose of this Code as an individual with an academic title and not less than half a normal teaching or research program as practiced in his unit. The teaching and research requirement does not apply to heads of units as defined by this Code, or librarians, or the faculty of the guidance and counseling center or faculty of the Division of Health Affairs".

Suggested changes in Class Attendance Regulations

Regular Examinations

Final examinations are held at the close of each quarter. There will be no departure from the printed schedule of examinations. Changes for individual emergencies of a serious nature will be made only with the approval of the instructor, the Chairman of the Department or Dean of the School involved, and the Provost. The Department Chairman or School Dean will, if he believes a serious emergency exists, forward a written request to the Provost setting forth the nature of the emergency. A student who is absent from an examination without an excuse will be given a grade of F. An Incomplete (I) will be given only in the case of a student absent from the final examinations who has presented a satisfactory excuse to the instructor or an official university excuse from the Associate Dean of Student Affairs for Men or the Associate Dean of Student Affairs for Women as appropriate. The symbol (I) will not be given unless an excuse has been presented prior to the scheduled examination.

Intermediate Tests and Quizzes

An instructor should not administer make-up quizzes or allow credit to those students who miss announced or scheduled intermediate tests and quizzes. Students who are absent with an excuse acceptable to the instructor or an official university excuse from the Associate Dean of Student Affairs for Men or Associate Dean of Student Affairs for Women as appropriate will be given a make-up test or an excuse from taking the test at the discretion of the instructor.
