Health & Physical Ed. Department
East Carolina University

Dear Tom:

With regard to the regular meeting of the Faculty Senate on April 24, I have made the following decisions on the resolutions of that meeting:

(79-26) The revisions in the Code of Operations for the Department of Library Science. This resolution has been sent to Dean Capwell for a recommendation.

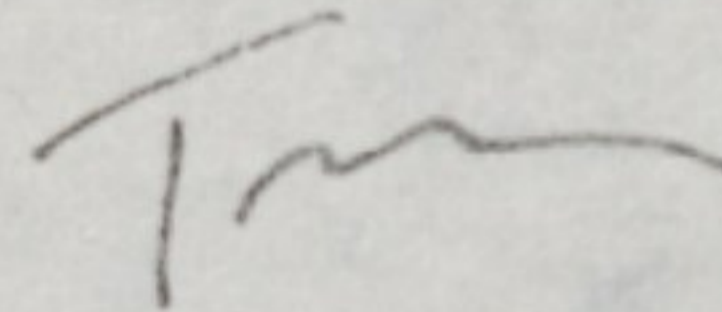

(79-27) Recommendation on Library support for programs. Approved.

(79-30) Curriculum changes. Approved.

(79-31) Curriculum resolution on Math and Psychology. Approved.

(79-33) Resolution to Henry Ferrell. I most heartily concur and am deeply appreciative for Dr. Ferrell's yeoman services on behalf of the entire faculty for the last two years as Chairman of the Faculty Senate. It has been a delight to work with such a dedicated teacher/scholar, and I look forward to his many contributions to the University in the future.

Best regards,

Thomas B. Brewer
