WHEREAS, Academic counselors have been in need of more information to aid in the student advising responsibilities in the General College, and

Chancellor Thomas B. Brewer
East Carolina University

Dear Chancellor Brewer:

At its first regular meeting on September 25, 1979, the Faculty Senate of East Carolina University approved the following resolutions:

- (79-35) Attached resolution from the Calendar Committee proposing the calendar for Summer School 1981 is recommended for your approval. Resolution was approved without a dissenting vote.
- (79-36) The General College Committee proposes the attached resolution concerning midsemester grades for General College students for your consideration. This proposal generated considerable discussion and a show of hands was necessary to determine the recommendation of the Senate. (25 for - 18 against)
- (79-37) The attached resolution with regard to faculty salaries in the 16 state-supported institutions was approved without a dissenting vote with the request that you send a copy of the resolution to President Friday.

The Senate appreciates your consideration of these matters. It is particularly important that should you agree to forward resolution 79-37 to President Friday that this be done in order to reach his office prior to the Faculty Assembly Meeting on Friday, September 28, 1979.

The minutes of the Senate are being prepared and will be sent to your office at the earliest possible time.

Sincerely yours,

Thomas H. Johnson
Chairman of the Faculty
