

Received  
NOV 12 1982  
FACULTY SENATE

EAST CAROLINA UNIVERSITY  
GREENVILLE, NORTH CAROLINA 27834

OFFICE OF THE CHANCELLOR

November 10, 1982

Dr. Caroline Ayers  
Chair of the Faculty  
East Carolina University

Dear Caroline:

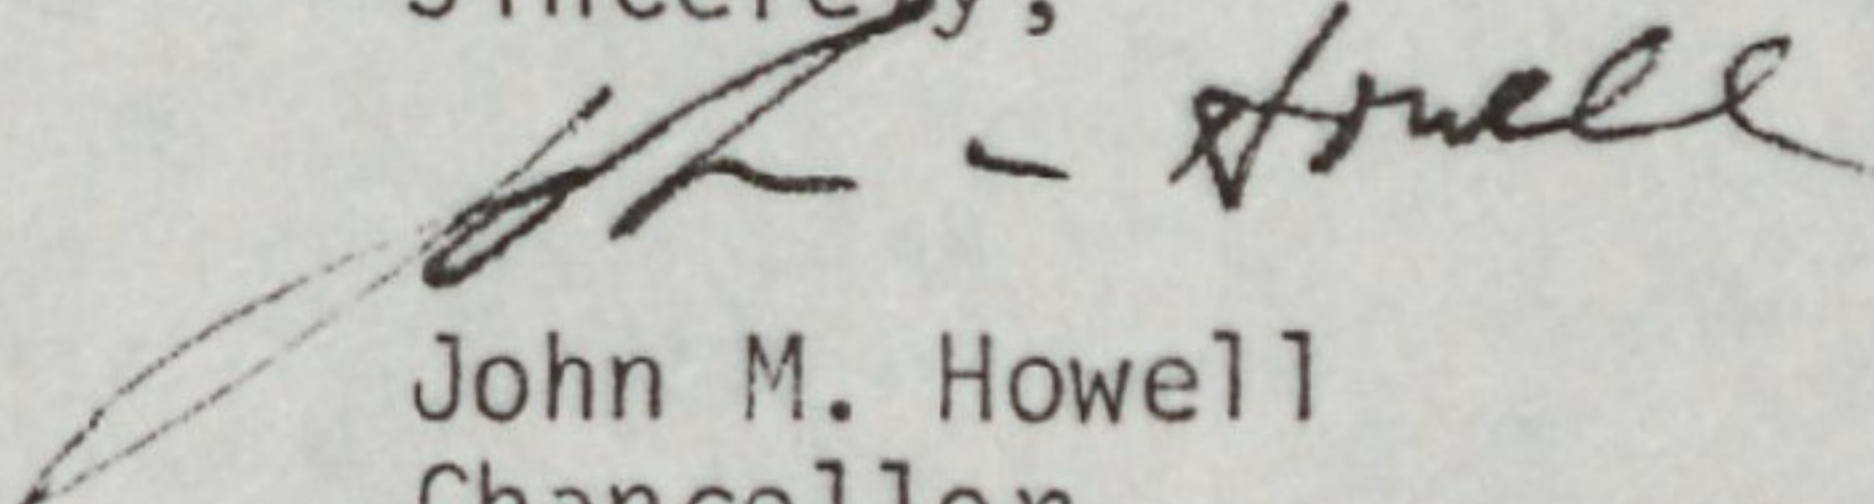

On April 6, 1981, Chancellor Brewer responded to Dr. Thomas Johnson that he was taking resolution 81-14 under advisement. I am now prepared to give a response to the seven points of the resolution as follows:

Recommendation

Response

- |                                                                                                                                  |                                                                                                                                                                              |
|----------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Make parking permits available at reduced rate.                                                                               | 1. Joe Calder has been issuing free permits to retired faculty for several years. Suggest that free permits be available <u>on request</u> to the Director of Public Safety. |
| 2. Furnish a permanent ID/Activity card.                                                                                         | 2. On request, the cognizant Vice Chancellor will issue the same ID card now issued and simply type RETIRED on the front of it.                                              |
| 3. Make tickets for athletic events available at half-price (same as faculty).                                                   | 3. Ken Karr has agreed to this. Retiree should make status known at time of purchase.                                                                                        |
| 4. Make concert/dinner theatre tickets available at faculty prices.                                                              | 4. University Union is now doing this. Retiree should make status known at time of purchase.                                                                                 |
| 5. Continue to include (if possible) retirees in group insurance coverage.                                                       | 5. Group insurance is now available if retiree wants to pay the portion formerly paid by the State.                                                                          |
| 6. Continue to honor retirees each year with a reception/dinner hosted by the Chancellor.                                        | 6. Chancellor will continue to do this.                                                                                                                                      |
| 7. Provide for each retiree at time of retirement a Retirees Recognition Package which will include the information/items above. | 7. This will be done at time of reception/dinner.                                                                                                                            |

Sincerely,

  
John M. Howell  
Chancellor

FACULTY WELFARE COMMITTEE RESOLUTION

WHEREAS, we the faculty of ECU appreciate the years of unselfish and dedicated service rendered by those who have preceded us, and;

WHEREAS, many of these people were instrumental in securing the fringe benefits we now enjoy and;

WHEREAS, they continue to make a contribution through their very presence, expertise and inspiration; therefore, be it

RESOLVED: that faculty members who are retired from ECU be accorded certain privileges, to wit:

1. Make parking permits available at reduced rate
2. Furnish a permanent ID/Activity card
3. Make tickets for athletic events available at half-price (same as faculty)
4. Make concert/dinner theatre tickets available at faculty prices
5. Continue to include (if possible) retirees in group insurance coverage
6. Continue to honor retirees each year with a reception/dinner hosted by the Chancellor
7. Provide for each retiree at time of retirement a Retirees Recognition Package which will include the information/items above.

The above resolution was amended and approved in the February 17, 1981, Faculty Senate meeting.
