OFFICE OF THE CHANCELLOR

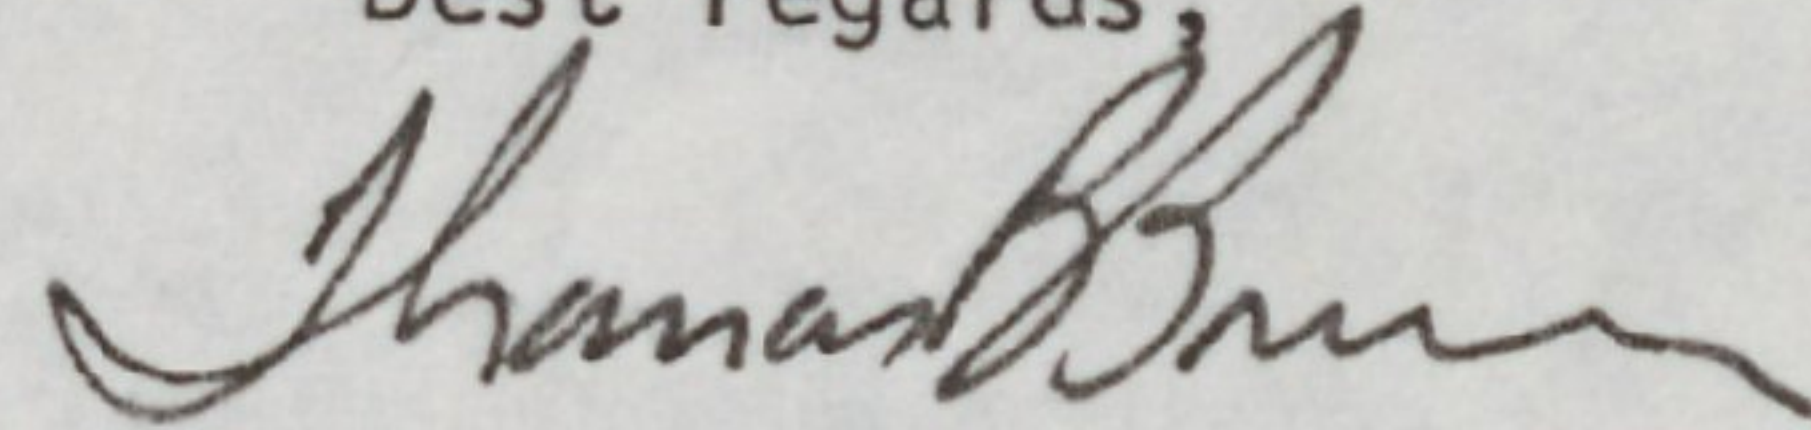

June 1, 1981

Dr. Thomas Johnson
Faculty Senate
East Carolina University

Dear Tom:

This office approves the appointment of the membership of the Faculty Senate Academic Committees for 1981-82 as recommended by the Senate. However, I am asking that the Senate adopt procedures which establish maximum lengths of service on a committee. I think this is appropriate to insure that all faculty have an opportunity to serve and is in line with the Senate's own limitation of service in the Faculty Senate. I believe that there also should be provision for a hiatus from service on any university committee. We number some 800 full-time faculty and as many as possible should be given the opportunity to serve the university and to benefit from the enormous expertise of these people.

Best regards,

Thomas B. Brewer
