Colleagues of the Faculty Senate:

I would like to recommend to you that we vote to elect Dr. Thomas Johnson as a nominee for the Chancellor's Selection Committee.

Dr. Johnson is a full professor and holds tenure at East Carolina University. He has been Chair of the Faculty Senate since 1979 and has shown excellent qualities of leadership and true concern for the future of East Carolina. As chair of the senate he works with all departments and facets of the University. The fact that this is his third year as Chair of the Faculty is evidence that his leadership role is well accepted and that he is willing to devote time and energy to the welfare of the University.

Please see the attached resume for additional information.

Respectfully yours,
