- IV. Date of Reports to the Faculty Senate During the Year: None
- V. Specific Instructions Given to the Committee by the Faculty Senate: None
- VI. Committee Organization, Sub-Committees, Research Activities, etc.

During most of the 1982-83 academic year a sub-committee was used to handle the small number of appeals that occasionally arise needing prompt attention. The sub-committee consisted of the Director of Admissions, the Committee Chairman, the Vice Chairman and the representative from Continuing Education. The main function of the committee is to serve as an appeals board for students who have not met admission and/or retention requirements. In addition the committee has spent considerable time discussing committee functions and regulations.

VII. Committee accomplishments including recommendations to agencies other than the Faculty Senate

The Admissions Committee has acted on appeals from 255 persons during the 1982-83 year.

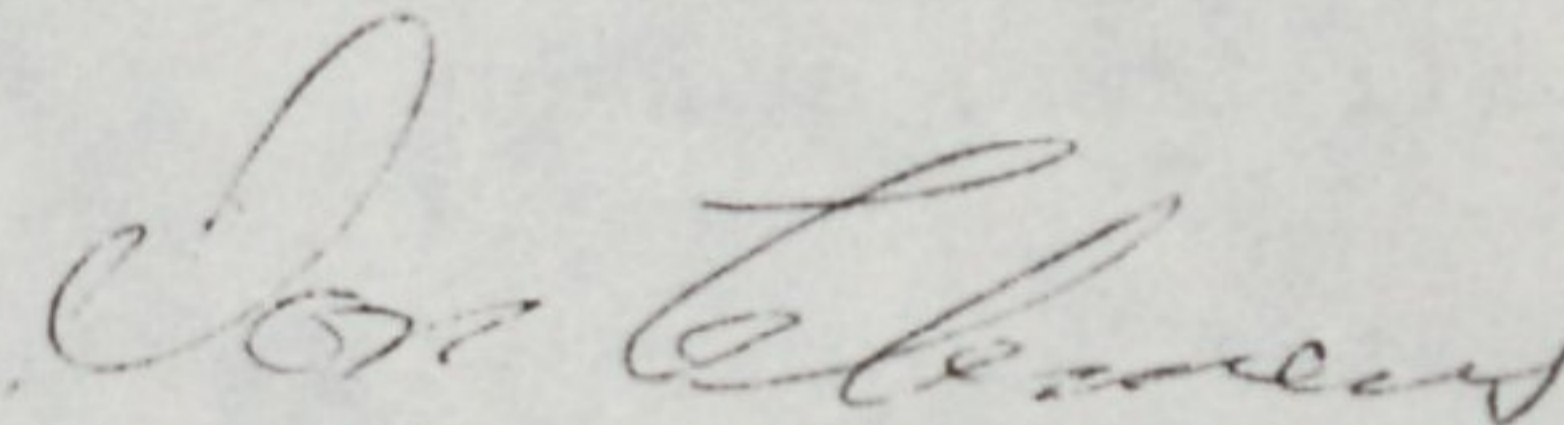

VIII. Citation of Resolution Numbers of Senate Resolutions: None

IX. Proposals and/or Business to be Carried Over to Next Year: None

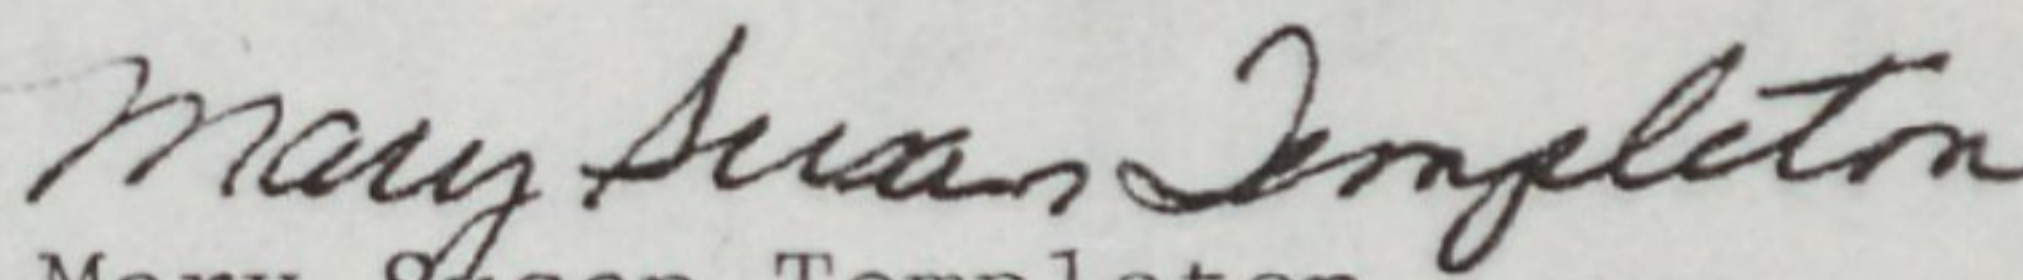

X. Evaluation of Committee:

Structure, Duties, Functions: All satisfactory. It should be noted that this is a committee that is required to meet at times when the University is not in session and this makes it difficult for the student member to participate. The excellent attendance at these meetings is a tribute to the dedication of the committee members.

XI. Suggestions for Improving the Effectiveness of the Committee: None
