

## FACULTY SENATE MINUTES

June 7, 1983

A called meeting of the Faculty Senate was held Tuesday, June 7, 1983, at 2:10 p.m. in Mendenhall Student Center, Room 244. Members absent were: Longhill, Brett, Davis, Hedges, Ball and ex officio Laupus. Alternates present were: P. Daugherty for Ryan, R. Denney for McGee, Adler for Sayetta. James LeRoy Smith served as Parliamentarian.

Agenda Item 2A: The Chairman made the following announcements: Chancellor Howell has approved Resolutions 83-20, -22, -23, -24, -29, passed by the Faculty Senate on April 19. He has forwarded Resolution 83-21 (Unit Code revisions) to the Advisory Committee on Unit Codes. He also approved Resolution 83-30 through 34 concerning the Academic Integrity Policy.

Agenda Item 2B: The Chair noted that the ECU Code as approved by the Board of Trustees at their May meeting was attached to the agenda for the faculty. She stated that the revised Code approved by the Senate in the fall of 1981 had not been approved by the Trustees, but the Trustees have amended the old code incorporating some of the revisions.

In the fall, both the new Appendix L and the Academic Integrity Policy will be distributed to the faculty for insertion in the Faculty Manual.

Agenda Item 3A: Charles Coble, Acting Dean of the School of Education, presented the proposed Administrative Structure for Teacher Education for the response to NCATE and SDPI accreditation. Professors Sowell and Chambliss will co-chair the self-study commission. NCATE will make a return visit to campus March 18-20, 1984. SDPI will visit later. In consultation with officials in Washington, D.C. and Raleigh, it has been indicated that the proposed changes are acceptable. Professor Coble expressed his appreciation to the committees and persons who assisted in developing a structure appropriate for ECU. Adler asked about how much control departments will lose. The proposed structure is intended to allow the continued involvement of the departments particularly since the strength in secondary education is felt to be in the department structure. Professional educators feel cut off from academic units and the new structure gets both together. Vice Chancellor Volpe pointed out that the accreditation officials had not questioned the quality of our programs. SDPI commented favorably about content and professional preparation in departments.

Agenda Item 3B: Moses Sheppard, chairman of the Teacher Education Committee, reported that the Teacher Education Committee had met May 25, 1983, to consider the proposed structure and voted unanimously to endorse it.

Agenda Item 3C: Tom Johnson of the Educational Policies and Planning Committee stated that the committee met May 26, 1983, to discuss the proposal. Some changes were suggested and incorporated. The committee endorses the proposal unanimously. Johnson commented that Chancellor Howell, Vice Chancellor Volpe, and Dean Coble were present at all the meetings and that he

felt that this was an excellent example of shared governance or joint effort.

Agenda Item 3D: Robert Woodside, Committee on Committees, reported that the committee had voted to endorse the basic structure and to recommend to the Senate that the Teacher Education Committee be dissolved. This constituted the first reading.

The Faculty Senate voted unanimously to endorse the Proposed Administrative Structure for Teacher Education.

The meeting adjourned at 3:10 p.m.

Stella Daugherty,  
Secretary of the Faculty
