Memorandum

TO: Vice Chancellors
✓ Faculty Senate
All Schools and Departments

FROM: Dr. John M. Howell 

On July 1 the Board of Trustees approved the proposed amendment to the ECU Code that had been voted by the Faculty Senate on February 21, 1984 with the minor editorial addition of the words "at least" before "their second year of appointment". The final version reads as follows:

A voting faculty person is defined for the purposes of this code, that is, for the purposes of all faculty voting relating to the appointment of administrative officials, the development of unit codes, unit program (quadrennial) evaluations, and unit administrator (quadrennial) evaluations as (1) a full-time individual with an academic title or on special faculty appointment in at least their second year of appointment (cf. The Code, 604 C) and (2) not less than half a normal teaching or research program as practiced in his or her unit. The teaching-research requirement does not apply to heads of units, libraries, the faculty of the Counseling Center, or other University officers who may hold tenured positions in home units. Voting rights within individual units on matters addressed in their codes other than these referred to in this present document should be a topic addressed in individual unit code development.

The School of Medicine and Division of Continuing Education may define voting faculty for the purposes of this code in accordance with their unique structures subject to the approval of the Faculty Senate.

The new provision is effective as of July 1, 1984.
