FACULTY SENATE

OFFICE OF THE CHANCELLOR

April 20, 1984

Dr. James L. Smith  
Faculty Senate  
East Carolina University

Dear Dr. Smith:

I approve resolutions 84-12 (radio services), 84-13 (graduation list), 84-14 (revised faculty welfare charge), 84-15 (new definition of general faculty), 84-17 (curriculum revisions), 84-19 (General College Adviser/Advisee Evaluation Survey).

I also approve the first part of 84-20; namely, "Smoking shall be prohibited in all ECU classrooms." I will study further the provision that smoking shall be prohibited in meeting rooms. My first reaction to the latter is that the personnel of meetings are so varied that each group might make its own rule on smoking, as the Senate has.

I have omitted 84-16 (task force), because it was rescinded by the Senate in a meeting subsequent to your letter of April 12, and 84-18 (revisions of codes), because my advisory committee has not finished with them.

Sincerely,

*JM - 1/7/2000*
