

INFORMATION RELATING TO THE GOVERNANCE COMMITTEE MOTION (Item IV.A.):

Column #1 = unit
 Column #2 = #faculty in unit (1984-85, from VCAA office)
 Column #3 = # senators allotted for 1984-85
 Column #4 = # of senators which would have been allotted if motion passed

Other information: The Senate Constitution requires that the Senate have a number of senators between 44 and 52. The ratio of faculty in unit to # of senators is determined each Spring. Last year the ratio was 23:1. As you can see below, that would not have changed had HSL had a senate seat of their own.
