FACULTY COMPUTER

Carl Adler, Physics, intending to nominate James Gaiser, moved that the Senate consider nominating fixed-term faculty for committee membership. Ferrell, commented that the motion was out of order. Smith stated that he would rule the motion in order in that the status of fixed-term faculty was a sensitive issue at East Carolina. Ferrell offered a substitution suggesting that the issue be deferred until the fall. The motion was seconded by Kledaras. The motion passed which precluded James Gaiser's nomination.
