

EAST CAROLINA UNIVERSITY  
FACULTY SENATE

The eighth regular meeting of the Faculty Senate for the academic year 1985/86 will be held on Tuesday, April 22, 1986, at 2:10 p.m. in Mendenhall Student Center, Room 244.

AGENDA

- I. Call To Order
- II. Approval of Minutes of March 18, 1986  
Addition to Minutes from AAUP Report (supplied by C. Adler after last meeting):  
The 1940 Statement says: "Beginning with appointment to the rank of full-time instructor or a higher rank, the probationary period should not exceed seven years..." Its language thus suggests a possible distinction between the full-time teacher who holds the rank of Instructor or higher, and the full-time teacher who does not--thus the full-time teacher who is called (as it might be) "Lecturer." But it seems plain that the authors of the 1940 Statement had no such distinction in mind; and one of the 1970 Interpretive Comments--number 5--specifies that "the concept of rank of full-time instructor or a higher rank is intended to include any person who teaches a full-time load regardless of his specific title."
