OFFICE OF THE CHANCELLOR

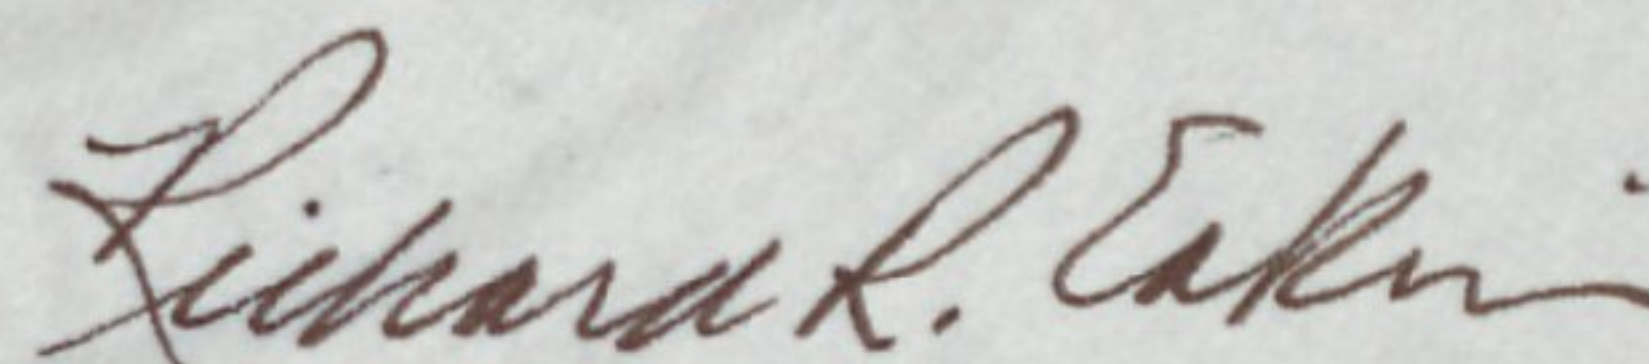

Mr. Conner Atkeson, Chair  
Faculty Senate  
East Carolina University

Dear Mr. Atkeson:

I have reviewed the resolutions approved by the Faculty Senate at the March 15, 1988 meeting and approve resolutions #88-14 through #88-18 as submitted. I ask your indulgence relative to resolution #88-19. This proposed change to Appendix D is sufficiently important with respect to its impact upon the conduct of university affairs that I wish to have some time to consider my response. As you know from our previous discussions, I have strong reservations about this proposed change to Appendix D in the context of the wide variety of procedures incorporated within the individual unit codes. As it now stands, I believe there are far too many points of potential procedural contestation to make the system workable with the proposed change.

I will provide further comments on this matter after further investigation and reflection. In any case, I will seek to respond further by May 1, 1988.

Sincerely,

Richard R. Eakin  
Chancellor
