

EAST CAROLINA UNIVERSITY FACULTY SENATE
APRIL 12, 1988

The eighth regular meeting of the Faculty Senate for the academic year 1987/88 was held on Tuesday, April 12, 1988, in Mendenhall Student Center, Room 244. Members absent were Smith (Faculty Assembly), Boyce (Faculty Assembly), Steele (Home Economics), Lawrence (Geology), Gregory (Medicine), Dudek (Medicine), and Whelan (Technology). Alternates present were Gordley for Voors (Art), Patton for Kopanski (Aerospace), Spence for Terrell (Education), Woodside for Davis (Mathematics), Moskop for Pories (Medicine), Everett for Lee (Nursing), Ferrance for Engelke (Nursing), and Shank for Schwartz (Music).

Agenda Item I. Call to Order

Chair Conner Atkeson called the meeting to order at 2:12 p.m.

Agenda Item II. Approval of Minutes of March 15, 1988

Connie Kledaras (Social Work) moved approval of the minutes of March 15, 1988. The motion was seconded and passed.

Agenda Item III. Special Order of the Day

B. Announcements, Chair of the Faculty, Conner Atkeson

1. Chancellor's Inaugural Activities - April 14-15, 1988

April 14

8:00 p.m. Inaugural Concert, Wright Auditorium

April 15

*11:00 a.m. Inaugural Ceremony, Wright Auditorium

2:30 p.m. Inaugural Symposium, Hendrix Theatre

7:00 p.m. Chancellor's Society Dinner and Inaugural Ball, Minges Coliseum

*Although classes have not been cancelled on April 15, Dr. Bloodworth has announced that any faculty member who wishes to march in the processional may cancel individual classes scheduled to meet at the time of the ceremony.

2. The West Area Residence Council and the Student Health Center are sponsoring the third Annual "Life's a Health Affair" today from 3:00 - 6:00 p.m. on the lawn outside Mendenhall Student Center. Rain Date: April 14, 1988.
3. The Videotapes of Dr. Wagenaar's presentations on teaching effectiveness are available for viewing in the Faculty Senate Office. The tapes may be viewed in the office conference room or checked out for a period of no more than 10 working days. The first session, "Spectrum of Faculty Evaluation," is contained on two tapes and the second session, "Models of Faculty Development," is on one tape. When requesting the videotapes, please specify which tape(s) you desire. Videotapes will not be forwarded through campus mail; you must pick them up in person.
4. Senate Committee Chairs: Please note that all committee annual reports are due in the Faculty Senate Office no later than Friday, April 29, 1988, 4:30 p.m.
5. The Faculty Senators and Committee Chairs will interview the third candidate for the position of Vice Chancellor for Academic Affairs, Dr. Phillip Thomas, on Tuesday, April 19, 1988, 11:15-12:15, in the Nursing Building, Room 101.

6. Senate Resolutions have been approved by the Chancellor as follows:
- #88-14 Spring 1988 Graduation List
 - #88-15 Endorsement of the Sentiment of SGA Resolution #L.R. 11-3, 2/9/88
 - #88-16 Faculty Senate Academic Committee Ex-officio Members Voting Privileges
 - #88-17 Curriculum Committee Report: Minutes of February 11, 1988
 - #88-18 Curriculum Committee Report: Minutes of February 25, 1988
- A response to resolution #88-19, "Material Procedural Irregularities", will be given by May 1, 1988.

C. Richard Eakin, Chancellor

Chancellor Eakin had no formal announcements but indicated his availability for questions. Woodside (Mathematics) asked for a clarification of Dr. Eakin's remarks appearing in the March 15, 1988, Pieces of Eight concerning remedial education. Woodside stated that "Over two-thirds of our entering freshmen are placed in remedial math courses and one-third in math lab." Eakin responded that his remarks were relative to the overall situation statewide. He stated that "we have a continuing obligation to help the students that need remediation" and that "relatively, the situation is encouraging." Woodside responded that he thought the situation was "discouraging."

Chancellor Eakin then remarked that the Secretary of the Air Force has granted a two year extension for the number of AFROTC programs that were to be canceled and that "our program will continue."

D. Vice Chancellor Reports

Acting Vice Chancellor for Academic Affairs, William Bloodworth
Dr. Bloodworth announced the list of faculty approved for promotion/tenure:

College of Arts and Sciences

Chemistry:

Dr. Paul Gemperline, to Associate Professor with tenure

English:

Dr. Bertie Fearing, to Professor

Dr. Ronald Hoag, to Associate Professor with tenure

Dr. Charles Sullivan, to Professor

Health, Physical Education, Recreation, and Safety:

Dr. David Porretta, to Associate Professor with tenure

Dr. Lucille Smith, to Assistant Professor

Mathematics:

Dr. John Daughtry, to Professor

Physics:

Dr. Gregory Lapicki, to Professor

Political Science:

Dr. Nancy Spaulding, to Assistant Professor

Dr. Raymond Webster, to Associate Professor with tenure

Theatre Arts:

Ms. Teresa Donohue, to Assistant Professor

Professional Schools

Art:

Mr. Paul Hartley, to Professor

Education:

Dr. Patricia Anderson, to Associate Professor with tenure

Dr. David Powers, to Professor

Home Economics:

Dr. Jane Teleki, to Associate Professor with tenure

Music:

Dr. Richard Lucht, to Professor

Other Units

Academic Library Services:

Ms. Lisa Dalton, to Assistant Professor

Reappointed with Tenure

Foreign Languages and Literature: Brian L. Harris

Psychology: Jean A. Golden

School of Business: David W. Glascoff and Brian A. O'Doherty

School of Education: Delma C. Blinson

School of Industry and Technology: Douglas W. Kruger and William H. McPherson

School of Social Work: Reginald O. York

Appointed with Tenure

School of Home Economics: DoriAnn Finley, Professor

He also announced that Alta Andrews, Assistant Professor in Nursing, has been granted a UNC Doctoral Study Assignment for next year.

The Senate responded with a round of applause.

Vice Chancellor Bloodworth went on to say: "Since this is the last time that I will be able to stand before you in my present capacity, I think it is important for me to let you know how much I have enjoyed and benefited from my relationship with the Senate this year. I have found the Senate officers to be particularly helpful and always available. Also, I am genuinely appreciative of the opportunity that I have had to listen to discussions on the floor of the Senate. I have been constantly impressed with the good sense and careful considerations that the Senate brings to its work. We have a good Faculty Senate.

"I want to say one more thing. I have worked closely with Richard Eakin for nine and a half months now. During those months a number of things have happened and I have observed Dr. Eakin in a variety of circumstances and faced with a variety of issues. And through it all, I have remained constantly impressed by his style of leadership, by his genuine and enlightened concern for this university, by the essential rightness of his judgment and values. He is the kind of Chancellor who will not only do things right but will also do the right things.

"So I am here, in my last appearance before you as Acting Vice Chancellor for Academic Affairs, to tell you that in my fairly well-informed judgment, we at East Carolina University are in good hands: your hands and the Chancellor's."

Vice Chancellor for Student Life, Elmer Meyer

Dr. Meyer announced that the recent teleconference on racism was excellent and that Student Life has a copy of the tape and associated booklets, both of which are available.

Meyer commented on this being his last Senate meeting: "I have been impressed working with the faculty over these past nine years. In my thirty-six years, I have never been in a university where the faculty cared any more about working with the students. I hope we have done alot to improve student life here at ECU."

E. Report on the Criteria Used for VCAA Candidate Selection

Conner Atkeson, Member of the Search Committee for VCAA, after yielding the chair to Vice Chair Jones, presented the report (See Attachment 1). Senators posed no questions concerning the report.

Judy Sadler (Library and Information Studies) presented the following resolution:

"In light of the outstanding job Acting Vice Chancellor William Bloodworth has done, the Faculty Senate requests that the Chancellor and William Bloodworth be released from the agreement that the Acting Vice Chancellor would not be a candidate for the position of Vice Chancellor for Academic Affairs.

"Therefore, be it resolved that, the Faculty Senate requests consideration of William Bloodworth as a candidate for the position of Vice Chancellor for Academic Affairs."

Sadler acknowledged the help of Bob Woodside in drafting the resolution. Connie Kledaras (Social Work) stated that "if Dr. Bloodworth was so inclined, he should be considered a serious candidate". Vice Chancellor Bloodworth remarked that, while he appreciated the intentions, he would ask the makers of the resolution to withdraw it. Sadler responded that a motion made and seconded belonged to the body and could not be withdrawn. The resolution passed on a voice vote. (Resolution #88-21)

F. Writing Across the Curriculum

Pat Bizzaro (English) reported on the committee's progress pursuant to Faculty Senate Resolution #87-12. A copy of the committee's interim report will be available in the Faculty Senate Office shortly. A final report with recommendations will be available next semester.

G. Parking and Traffic Committee

Henry Ferrell presented the 1987/88 Parking and Traffic Committee Recommendations by beginning with the remark: "What a somber day! It is raining. We have just learned that our students can't write, can't add, and can't think. Take Heart!, they can park anywhere!" The recommendations include the following:

- That the dirt parking lot on the north side of Jones Dormitory be paved and security lights be put in place.
- That the dirt parking lot on East Ninth Street be paved.
- That no more leased private parking be assigned on the East Fifth Street campus without consultation with the Parking and Traffic Committee.
- That the "prestige parking" assigned Pirate Club members be charged a proportional fee to the Club, as student, staff and faculty parking fees have been used to develop these parking areas.
- That, in order to free up to 125 parking spaces on the East Fifth Street campus, a University motor pool for state-owned vehicles be developed and that units which prefer to keep their state-owned vehicles on this campus be assessed the same parking fees as those persons who have leased private parking privileges.
- That all parking fees and fines be increased at the same proportional rate as the present increase in student, staff, and faculty parking permit fees.

Ferrell also informed the Senate that last year's recommendation that the commuter spaces east of Wright between Fifth and Tenth Streets be eliminated would be addressed this summer by Chancellor Eakin.

Ferrell announced that Joe Calder, Public Safety Director, will be retiring this summer. He then introduced a resolution recognizing Mr. Calder's long and dedicated service to East Carolina University.

"It is the sense of the Senate that Public Safety Director, Joe Calder, has served the University and its community well over the past 20 years and that the Senate wishes him well in retirement and appreciates his contributions." The resolution passed on a voice vote. (Resolution #88-22)

Ferrell than introduced a second resolution expressing appreciation of Vice Chancellor Elmer Meyer's service to East Carolina University.

"It is the sense of the Senate that Vice Chancellor Elmer Meyer has led the Division of Student Life with wit, intelligence, and good humor and has contributed significantly to the progress of the University in general and to the development of the student body in particular. The Senate wishes him well in his retirement." The resolution passed on a voice vote. (Resolution #88-23)

Agenda Item IV. Unfinished Business

Bob Woodside (Mathematics) was recognized to speak to a matter of old business - - the report of Dave Hart, Director of Athletics (See Minutes of February 23, 1988). Woodside objected to the fact that Mr. Hart did not announce his intention of recommending the raising of student fees to balance the athletic budget. Vice Chancellor Meyer responded that such action was not decided at the time of the report and that the SGA did not strongly object to the fee raise. Woodside indicated further that he was disappointed that Hart didn't mention it in his report to the Senate.

Agenda Item V. Report of Committees

A. Committee on Committees

Holly Matthews (Sociology and Anthropology) presented the second reading of the recommended changes to the charges of the following committees: Career Education, Faculty Governance, Unit Code Screening, Research/Creative Activity, and Teaching Grants (see March 15, 1988, Senate Agenda, Attachment A). The recommended changes passed on a voice vote. (Resolution #88-24)

Next Professor Matthews presented the second reading of the proposed changes to the charges of the following committees: Admissions, Calendar, Continuing Education, and Faculty Computer (see March 15, 1988, Senate Agenda, Attachment B). The recommended changes passed on a voice vote. (Resolution #88-25)

B. Curriculum Committee

Bill Grossnickle (Psychology) presented the recommendations contained in the minutes of the Curriculum Committee meeting of March 24, 1988, with the following editorial correction: The change in prerequisites for entrance into the School of Business (3rd paragraph) are to go into the new catalogue. They will not affect students presently enrolled. The recommendations passed on a voice vote. (Resolution #88-26)

Grossnickle then announced that, starting this fall, all course proposals must make use of the "revised Buckler" form. Copies of this form are available in the Senate office.

C. Educational Policies & Planning Committee

Bob Schellenberger (Business) presented the revised Mission Statement for East Carolina University. In response to a question from Judy Bernhardt (Nursing), Schellenberger stated that comments concerning the statement should be directed to him, Henry Ferrell, or George Bailey before the end of the semester. Vice Chancellor Meyer remarked that the Mission Statement should somewhere contain the charge that we all should be sensitive to the rights of others.

D. Faculty Affairs Committee

Karl Rodabaugh (Continuing Education) presented the Proposed Emeritus Policy. Lou Everett (Nursing) moved to amend by replacing the words "shall act" in the first sentence of the second paragraph with "may recommend". The amendment passed on a voice vote. The proposal as amended then passed on a voice vote. (See Attachment 2 for amended proposal.) (Resolution #88-27)

E. Faculty Governance Committee

Bob Hursey (Mathematics) presented the second reading of the Proposed Amendment to Appendix A regarding the Parliamentarian of the Faculty (see March 15, 1988, Senate Agenda, Attachment 2). Chair Atkeson stated that this, if passed, would come before the General Faculty Meeting in the fall. The proposed amendment passed on a voice vote. (Resolution #88-28)

Hursey then presented the Unit Code for the School of Social Work. The Code passed on a voice vote. Connie Kledaras (Social Work) rose to commend and thank the Committee. Hursey responded that the Committee appreciates Connie's appreciation. (Resolution #88-29)

F. Research/Creative Activity Committee

Henry Ferrell (History) presented the report on 1988-89 Research/Creative Activity Grants & 1988 Stipends. (See Attachment 3)

G. Student Recruitment and Retention Committee

Nancy Mayberry (Foreign Languages and Literature) presented the Recommendation Regarding Student Workload/Courseload (See Attachment 2, Agenda). Donald Parkerson (History) asked how it will be enforced. Mayberry responded that it could not be enforced. Curtis Farrance (Nursing) asked how it would be used. Mayberry responded that it would be a guideline that faculty could point to. The recommendation passed on a voice vote. (Resolution #88-30)

Mayberry then presented the resolution regarding Availability of Courses for Registration (See Attachment 3, Agenda). Joyce (Physics) stated that, while he supports the intentions of the resolution, he feels that it might be asking the administration to recommend steps that we should be recommending. He then moved to return the resolution to the committee for specific recommendations. The motion to recommit passed on a voice vote. (Resolution #88-31)

H. Teaching Effectiveness Committee

Frank Rabey (Allied Health) presented the resolution regarding Funding for Teaching Effectiveness Conference (See Attachment 4, Agenda). The resolution passed on a voice vote. (Resolution #88-32)

I. Teaching Grants Committee

Bonnie Duld (Nursing) presented the 1988 Summer Stipends and 1988/1989 Teaching Grant Awards (See Attachment 4).

J. Unit Code Screening Committee

Don Sexauer (Art) presented the Unit Codes for the following units: School of Art, Health Sciences Library, Department of History, and Department of Library and Information Studies. The Codes were approved on a voice vote. (Resolution #88-33)

Agenda Item VI. New Business

Donald Parkerson (History) presented the resolution regarding Lengthy Drop Period. Steven Thomas (Allied Health) asked whether it was meant to apply to both undergraduate and graduate students. Parkerson responded that it was to apply to undergraduate students. Jo Ann Jones (English) indicated that there is a serious problem with this resolution: the policy it recommends addresses only regular semester-length courses; it gives no consideration to block courses or to summer term courses (many of the latter which meet one hour and a half each day). Jones then moved that the matter of shortening the free drop period be referred to the Credits Committee for study; that, as part of its deliberation, this Committee conduct open hearings to enable faculty and students to have input; and, further, that this Committee report to the Senate during the 1988 fall semester with a recommendation concerning the drop policy. The motion to refer passed on a voice vote. (Resolution #88-34)

George Bailey (Philosophy), noting that this would be the last meeting for Senator South (English), asked for a round of applause for him. The Senate gladly responded.

Connie Kledaras (Social Work) noted that it would be the last meeting for a number of "ole timers," including himself. The Senate responded with a second round of applause. A few Senators were heard to question who would remind the officers of the traditional seasonal beverages.

There being no further business or laments, Chair Atkeson adjourned the meeting at 4:10 p.m.

Respectfully submitted,

James Joyce, Secretary

Sharon Bland, Office Secretary

~~~~~  
Senate Resolutions:

- #88-21 Consideration of William Bloodworth for the position of Vice Chancellor for Academic Affairs
- #88-22 Appreciation to Joe Calder
- #88-23 Appreciation to Elmer Meyer
- #88-24 Committee on Committees: Changes to charges of the following committees: Career Education, Faculty Governance, Unit Code Screening, Research/Creative Activity, and Teaching Grants
- #88-25 Committee on Committees: Changes to charges of the following committees: Admissions, Calendar, Continuing Education, Faculty Computer
- #88-26 Curriculum Committee Report: Minutes of March 24, 1988
- #88-27 Proposed Emeritus Policy
- #88-28 Faculty Manual, Appendix A amendment: Parliamentarian of the Faculty

- #88-29 Code for the School of Social Work
- #88-30 Recommendation: Student Workload/Courseload
- #88-31 Resolution: Availability of Courses for Registration, recommitted to Student Recruitment & Retention Committee
- #88-32 Request for funding for Teaching Effectiveness National Conferences
- #88-33 Unit Codes for Art, Health Sciences Library, History, and Library and Information Studies
- #88-34 Resolution: Lengthy Drop Period referred to Credits Committee

EMERITUS POLICY

The Faculty Affairs Committee recommends the adoption of the following policy either as a new "Appendix T" or an amendment to "Part IV" of the Faculty Manual:

Upon receiving written confirmation of intent to retire by a tenured faculty member with ten or more years of full-time service to East Carolina University, the unit head shall notify the unit personnel committee which, in turn, may recommend granting the retiree emeritus status. Its decision shall then be forwarded to the unit head and other appropriate administrative officers in the same manner as other personnel recommendations for their concurrence or nonconcurrence.

This policy shall be retroactive for all retirements during the 1987/88 academic year or as stipulated by the Chancellor.

VICE CHANCELLOR FOR ACADEMIC AFFAIRS

EAST CAROLINA UNIVERSITY invites nominations and applications for the position of Vice Chancellor for Academic Affairs. The Vice Chancellor, who reports directly to the Chancellor, is the chief academic officer and provides academic leadership for the College of Arts and Sciences and seven professional schools. Candidates for the position must have the following:

- terminal degree and evidence of significant scholarly achievement;
- experience at a dean's or equivalent level in an institution of higher education;
- experience with budget management;
- ability to communicate effectively;
- ability to work within a diversified comprehensive institution serving a wide range of constituencies.

Applicants should submit a letter of application, complete resume, official transcript, and a statement of his or her management style, educational philosophy, and beliefs concerning the mission of a university in the contemporary world. In addition, candidates should submit the names of five individuals who may be contacted for a reference in the event of final consideration.

The position is available June 1, 1988. Applications will be accepted until February 1, 1988. Application materials should be sent to:

Dr. Carl Adler  
Chairperson, Search Committee  
104 Spilman Building  
East Carolina University  
Greenville, NC 27858-4353

Federal law requires documentation of identity and employability before final consideration.

East Carolina University is an affirmative action/equal opportunity employer and as such encourages applications from qualified women and minorities.

**1988-89 RESEARCH/CREATIVE ACTIVITY GRANTS & 1988 STIPENDS**

The Acting Vice Chancellor for Academic Affairs, Dr. William Bloodworth, has announced that pending certification of the 1988-89 budget, grants and stipends will be awarded as follows:

**1988-89 GRANTS**

|                              |              |                                                                                                                                  |         |
|------------------------------|--------------|----------------------------------------------------------------------------------------------------------------------------------|---------|
| Simon Baker                  | Geog & Pl    | Detailed Land Use and Land Cover Mapping and Analysis of the N. C. Barrier Islands: A Benchmark Study                            | \$2,700 |
