REPORT OF NOMINATING COMMITTEE FOR SENATE OFFICERS**Candidate for Chair of the Faculty Senate:****Jim Joyce, Department of Physics**

For twenty years, I have served on the faculty of the Physics Department, rising to the rank of professor in 1979. Active in the research areas of atomic physics and physics applied to medicine, I have published more than 36 journal articles and 71 abstracts. I have served as Director of the ECU Accelerator Laboratory until 1977 and then as Director of Digital Systems for the Physics Department until 1989. Continually active on university committees, I have served as Chair of the Faculty Computer Committee for four years and as Chair of the Libraries Committee for three years. I have also served on a number of administrative committees including, most notably, as Chair of the Computer Planning Task Force in 1978-1979 and on search committees for the Director of Academic Library Services and for the Director of Computing and Information Systems. Most recently, I have been privileged to serve as Parliamentarian of the Faculty for two years, as Secretary of the Faculty for two years, and as Chair of the Faculty this year. In evidence of my concern for teaching, I have been selected as a finalist for the Alumni Teaching Awards two of the past four years.

Candidates for Vice Chair of the Faculty Senate:**R. Eugene Hughes, School of Business**

I joined the faculty of East Carolina University in 1985 as Professor and Chairperson of the Department of Management, a position in which I continue to serve. I was elected to the Faculty Senate in 1986 and reelected in 1989. I was appointed to the Faculty Governance Committee in 1988 to complete the term of Professor John Longhill who retired in May of that year. In 1989, I was elected as a member of the committee and presently serve as Chairperson. As Chairperson, I also serve as an Ex-officio Member on the Unit Code Screening Committee. My experience as a faculty member at other universities serves to emphasize the need and value of meaningful Faculty Governance. My experience at East Carolina University as a Senator and a member of the two committees noted above emphasize the value of successful faculty participation in the governance process. It is my intention to remain consistent and loyal to the quality of participation that is a norm at East Carolina University and serves as a challenge to our sister institutions.

Candidates for Vice Chair of the Faculty Senate (Continued):

George Bailey, Department of Philosophy

came to East Carolina University in Fall 1980, and have served in the Senate for the last five years. I chaired the Senate Libraries Committee, and in that capacity served on the Senate Educational Policies and Planning Committee. I served on the Task Force on Assessment Evaluation of the General Education program, and presently I am a member of the Senate Teaching Effectiveness Committee, the College of Arts and Sciences Steering Committee for Strategic Planning, and am chairing the Undergraduate Program Sub-Committee of the Educational Program Committee for the SACS Self Study. Next Fall, I begin a term as a Faculty Assembly Delegate.

Candidates for Secretary of the Faculty Senate:

Stella Daugherty, Department of Mathematics

Since I enjoy being active in the Faculty Senate, I am interested in the position of Secretary of the Faculty. I have been a member of the Faculty Senate in prior years during which I served as Vice Chair for three terms, and as Secretary for at least three terms. As Vice Chair, I served as an Ex-officio Member on approximately eight of the Senate committees. When I was a member of the Curriculum Committee, I served as Secretary and as Chairperson for several terms. With this experience, I feel that I am well aware of the commitment necessary to carry out the duties of this office.

Joseph C. Ciechalski, School of Education

I have been an Assistant Professor in the Department of Counselor Education at East Carolina University since the fall, 1987. During this time, I have served on the following committees: Library Committee, 1987-present (Chair), Comprehensive Examination Committee, 1987-present, and the Computer Committee, 1987-present. I currently serve on the Editorial-Board of the Elementary School Guidance and Counseling journal and as Secretary of Chi Sigma Iota (E.C.U. Chapter). In addition, I co-edited Elementary School Counseling in a Changing World (1990); reviewed program proposals for AERA (Division D & E) and NCME (1980-present); and coordinated the AMECD Exhibit Booth at the AACD convention (March, 1990). I have reviewed the duties of the Secretary of the Faculty and along with the above experience, I feel that I will be able to satisfy the duties of this office.
