

1990-92 ECU SACS Self-Study Report Final Non-compliance Conclusions  
10 Recommendations [Musts] & 5 Suggestions [Shoulds]

[M = must      S = should]

Institutional Purpose:

M1 Secure approval of the proposed mission statement by The University of North Carolina Board of Governors and subsequently publish the mission statement in appropriate University publications. (2.9) [University] p22

Institutional Effectiveness:

None.

Educational Program:

M2 Document on a University-wide basis the regular assessment of the quality and educational effectiveness of all innovative delivery systems and examine their consistency with the University mission and the SACS criteria.  
(4.06 & 4.07) [Academic Affairs and Health Sciences] p55

M3 Ensure that multiple measures of instructional effectiveness include the expressed clarity of course goals as well as the nature of course content and the appropriateness of course requirements and of the methods of evaluation to be employed.  
(4.1.4.3) [Academic Affairs and Health Sciences] p76

M4 Ensure that documentation is available in all departments to show both that methods of instruction allow the course goals to be fulfilled and that the methods are appropriate to the capabilities of students.  
(4.1.4.4) [Academic Affairs and Health Sciences] p77

M5 Develop written policies concerning the credentials, orientation, supervision, and evaluation of part-time faculty.  
(4.4.9.3) [University] p127

Educational Support Services:

S1 Secure funding for the expansion and renovation of Joyner Library to ensure that library resources are made available in a facility of adequate size.  
(5.2.2) [University] p136

M6 Secure funding for renovation of Joyner Library and, subsequently, for the renovation of the Music Library.  
(5.2.1.5) [University] p147

M7 Coordinate further with relevant faculty and University libraries personnel to evaluate the adequacy of library resources and services at all off-campus sites.  
(5.2.5.3) [Division of Continuing Education] p162

S2 Review the staffing and services of career services to ensure that there is an effective Career Development Program. (5.5.2.1.5) [Student Life] p186

S3 Ensure that all student records in Continuing Education are microfilmed. (5.5.2.4.2) [Academic Affairs] p191

**Administrative Processes:**

M8 Reevaluate processes for the replacement of obsolete instructional and research equipment. (6.1.1) [University] p204

M9 Develop policies for and conduct a comprehensive scheduled evaluation of all administrators. (6.1.5) [University] p204

S4 Develop a formal comprehensive risk management program. (6.3.11.1) [University] p235

M10 Ensure that the facilities master plan currently underway is satisfactorily completed as soon as is consistent with appropriate considerations. (6.4.4.1) [University] p247

S5 Ensure that the facilities master plan is related to both educational master planning and strategic and long range financial planning. (6.4.4.2) [University] p247
