Does this require any
action, in your judgment,
by the Faculty Senate? It appears to
be simply editorial. (Pls. return)

RE: Editorial Change in the "Racial and Ethnic Harassment Policies"

FEB 26 1992

CHANCELLOR'S OFFICE
E. C. U.

I have spoken with Dr. George Bailey regarding the reference to the Student Government Association Documents (see Section III) in the Racial Ethnic Harassment Policies. The appropriate reference should be to the Student Handbook, Appendix III, Judicial Rules and Procedures. Dr. Bailey would accept this change as editorial since it refers to a new handbook which incorporates the policies and procedures formerly found in the SGA Documents booklet. Also, Appendix III is the judicial procedures portion of the handbook, and is the appropriate method for handling harassment issues. The Student Grievance Procedures are not appropriate for such issues, nor do they match up to the grievance procedures for staff (Section IV) or faculty (Section V).

When the Racial and Ethnic Harassment Policies are finally approved, please amend the document to include these editorial changes. Please do not hesitate to contact me if I can be of any assistance with these policies.
