My dearest Minnie:-

Mall Min

I know you think I have
forgotten you and your
kindness towards me when
I was sick. I do hope
you are well now and
if not - so ever so much
better. Buddie has been
confined to his bed for
over a week with ma-
larial fever. He is some
better now but not near
well. Commencement is a
new thing to you, I guess
but is old to me by
now. I must tell you what

what a fine time I had. Buddie and
"Mr. Pres Harper" came Wednesday A.M.
Buddie took me driving, before I dressed
for the exercises. I will now tell you the
people I knew which came in the
morning. Lizzie Dail, Lucie Edwards, Josiah
Exum "Haywood Dail" Frank Faircloth
May. In the evening Robt. Carr, Stuart
Carr, Tili Harper, Charlie Moore, Walton
Pace and "Chas. Harper." We had quite
a jolly time Tili washed me and
Chas. & Hattie. I was with Chas. some.

I spent quite a time with Haywood.
I went to walk on the rail road with
him Wednesday eve. Mamma. I wish you
could meet him, he's ever nice than
"Chas." You may know now which
way my heart turns. Mamma, I hope
you are well enough to laugh over
my nonsense. Ma and I have been
doing most of our work since I came
home. Puss is sick and Maria is
generally busy in the field.

Mack was at commencement
went both nights, but
we never spoke. Every thing
passed off quietly and
peacefully all the time.
It was a bright crowd Wed.
night. We stayed until
after the train left Thurs.
noon. I certainly cried
when I left Mary High.
Have you heard from
her? I guess you have
I rec'd a letter from her
speaking of writing to you.
Haywood, Lizzie, Josiah, Lucie,
Mac, Robt. Carr, and Diddie
and I went to the "lily pond"
as we came on back,
and got lots of lillies.

Minnie don't think
hard of me please
for you know I do
appreciate your kind
ness when I was
sick and was very
sorry. I could not return
it. How did you get
along going home?
I want to see you
so bad. Please write
to me real soon
and tell me how
you are getting
along. I must tell
you of my "Lawn Party".

trips! Mr. Press took
me. I spent the
evening with Miss
Phula Mauer. I had
Dorothy, Mollie & Arthur
around. I tell you we
had a time. That's
one time. I saw day
break. When it was
getting light we
were eating ice cream.
"Haywood and Jasiah"
rushed me. It broke
up about half past
3 o'clock. Jimmie, Kawa,
Lida, Bet, & Liv and
several other "Old K.S."
Girls were there.

The dr. is in Buddie's
room this morn. &
I will try to write
some more. I want
to go to Bath's fourth
Sunday in July.

Mollie Harper said I
should go on at the
same time if it be
possible. Know we will
have a fine time. "Wed.
Morn." Well, Mamma I am
having a time now, and
and Buddie with her
sick. Buddie is no better
this morn. Mamma was
taken yesterday evening.
I helped to move yester-
day aft. Oh! so tired.

I am not well, yet but
am stronger than I was
when I left school. Minnie
come to see me this
summer if you can.

I haven't been any where
at all to stay any except
to dear "Old Knowlton." Such
fine folks there you
know. I wish I could have

got your letter of
yesterday but so busy
I couldn't. Ever thing here
is sick in a pile, I
don't expect I'll go any
where this summer.

It is time for me to see
about summer so I must
stop. Write real soon
and a long letter to your
dear old room-mate, one who
loves you dearly. Mary Lavelle
