Dr. John Moskop
Chair of the Faculty
East Carolina University

Dear John:

As you know, the Faculty Governance Committee, in a meeting held yesterday, considered and adopted revisions to the proposed Appendix D designed to meet concerns which the UNC General Administration has raised about the document. In my judgment, the newly revised version of Appendix D, a copy of which is attached, is faithful to the version adopted by the Faculty Senate during the 1991-92 academic year. The modifications it contains are designed primarily to secure General Administration approval of the document; and I hope the Senate will see fit to approve it.

Since I am to be out of the state June 17-24, I may not be able to attend the special call meeting of the Senate which you plan to convene for purposes of considering the document. Certain members of the Committee can be present, however, to answer any questions which might be raised during debate over its adoption.

With kindest regards, I am

Sincerely,

Tinsley E. Yarbrough, Chair
Faculty Governance Committee
