The completion of phase one of the Library has been delayed until late summer. The announcement of finalists for the VCAA position will be forthcoming. Grossnickle (Psychology) asked if there were any internal finalists. Yarbrough answered in the negative. ## B. Credits Committee

Bob Woodside (Math), Chair of the Committee, presented the proposed revisions to both the ECU Faculty Manual and Undergraduate Catalog, in reference to grade appeals. There was no discussion and the proposed revisions to both the manual and catalog were approved as presented. Resolution \#96-1 (Please refer to the list of resolutions at the end of this report for the full revision.) This revision will go into the next printing of the ECU Faculty Manual and distributed to all faculty in August 1996.
C. Educational Policies and Planning Committee

Madge Chamness (Allied Health Sciences), Chair of the Committee, first presented the requests for authorization to plan new degree programs in the following areas: Religious Studies, MultiInterdisciplinary Studies, Construction Management, Occupational Safety, English, Maritime Studies, Bioenergetics, Nursing, and Counseling Education. plan those new degree programs were approved as presented. Resolution \#96-2 (A copy of each degree program may be reviewed in the Faculty Senate office, 140 Rawl Annex.)

Professor Chamness then presented the Committee's recommendation concerning the Implementation Committee on Diversity's Report, which included an addition to the ECU Undergraduate Catalog.

Eribo (Communication) asked about the problem of a definition of second culture. Engleke (Nursing) observed that there are many problems in tracking what the primary cultures of students might be and there are many problems even for units. Bailey (Philosophy) observed that any student completing general education already meets this requirement and the stated requirement is unnecessary. Simon (Political Science) moved the replacement of "a culture other than their own" with "cultural diversity". The motion was approved.

Doty (Business) moved to strike "complete at least one course exposing them" and add "are ensured". Eribo (Communication) asked about the definition of exposure. The motion failed.

Ferrell (History) moved the replacement in the first sentence that reads "...assure that its majors complete at least one course exposing them to cultural diversity" with "will provide its majors with an opportunity to experience cultural diversity". He also moved the replacement in the second sentence that reads "... which courses may be used to satisfy this requirement." with "...the manner that this would be achieved." He stated that the revised statement would provide each unit some flexibility in addressing this matter. The motion failed.

Glascoff (Health and Human Performance) asked about the logistics of implementing this requirement. Chamness indicated that the unit can identify appropriate courses and can check to see if students have met the requirement. Following discussion, the recommendation and addition to the ECU Undergraduate Catalog was approved as amended. Resolution \#96-3 (Please refer to the list of resolutions at the end of this report for the full recommendation.)

## D. Faculty Governance Committee

Jim Joyce (Physics), Chair of the Committee, first presented the proposed revision to the ECU Faculty Manual, Appendix C. There was no discussion and the proposed revision to Appendix C was approved as presented. Resolution \#96-4 (Please refer to the list of resolutions at the end of this report for the full revision.) This revision will go into the next printing of the ECU Faculty Manual and distributed to all faculty in August 1996.

Professor Joyce then presented the proposed revision to the ECU Faculty Manual, Appendix L. Taggart (Music) asked if faculty leader, as referred to in Item 2, was from among chairs or any voting faculty member. Joyce indicated that the latter would be correct. Taggart also asked what the effective date would be. Joyce stated that the proposal would need approval of the chancellor and board of trustees.

Bohannon (Human Environmental Sciences) expressed concern with the faculty leader being the one to count the ballots and suggested that the chairs of the personnel committees act as tellers. She moved to amend item 4 by adding "The chairs of the personnel committee will assist in the counting of the ballots." McMillen (Medicine) indicated that in units with only one personnel committee this amendment would not work. Allred (Psychology) asked if there was anything in item 4 that specifically prohibited the counting of ballots by someone other than the Faculty Leader. Joyce responded in the negative. Doty (Business) indicated that 'cast prior to the meeting' should be included. The motion failed.

Everett (Nursing) moved the addition in 4. of a comma and "and" after "Evaluation" in the first sentence and the replacement of "The Faculty Leader for the Quadrennial Unit Administrator Evaluation" with "They" in the second sentence. The motion was approved.

## E. General Education Committee

Karen Krupa (Nursing), Chair of the Committee, presented for information only the planned revisions to the Undergraduate Catalog, to include a listing of courses that meet General Education Requirements. No action was necessary from the Faculty Senate.

Grossnickle (Psychology) moved that the General Education Committee report be included in an Undergraduate Studies Student Orientation/Academic Information Packet, but not in the University Undergraduate Catalog and wherever there is a listing of courses meeting general education requirements, the wording of the Committee's report be amended to read "Some of the courses that meet this general education requirement are:". The motion was approved as presented. Resolution \#96-6

Allred (Psychology) asked what should be done about possible mistakes in the listing of courses . Krupa stated that any corrections could be forwarded to her. Bailey (Philosophy) indicated that the General Education Committee doesn't have authority to restrict courses.

## F. Unit Code Screening Committee

Bill Grossnickle (Psychology), Chair of the Committee, presented the revised Department of Sociology's Unit Code of Operations. There was no discussion and the revised unit code was approved as presented. Resolution \#96-7 (A copy of the revised code is available for review in the Faculty Senate office, 140 Rawl Annex.)
G. University Curriculum Committee

Jim Smith (Business), Chair of the Committee, presented the undergraduate curriculum matters contained in the meeting minutes of 7 December 1995. There was no discussion and the minutes were approved as distributed. Resolution \#96-8 (Copies of the approved minutes are available in the Faculty Senate office.)

## Agenda Item VI. New Business

Ferrell (History) asked if a report on the number of tenured and fixed term faculty employed at ECU was available. Interim Vice Chancellor Yarbrough indicated that he would check into the matter and report at the next meeting.

There being no further business, the meeting adjourned at $4: 17$ p.m.
Respectfully submitted,

Donald Neal Department of Geology Secretary of the Faculty

Lori Lee
Faculty Senate office
Administrative Assistant
