Dear Sir:

I am very grateful to you and the members of the Appropriation Committee for your interest in this institution.

It was very encouraging to learn that your Committee has recommended a total appropriation of \$125,000 for the biennium 1949-51 for this institution. I wish to assure you that this money will be used for the best interests of the children under our care.

The members of the Board of Directors join me in this expression of appreciation.

Very truly yours,

T. A. Hamme  
Superintendent
