## NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT

### ELECTION OF FACULTY OFFICERS

#### Candidate for Chair of the Faculty

##### Donald Sexauer, School of Art

*Donald Sexauer has been a member of the faculty since 1960. He has served on a number of academic and appellate committees including the Faculty Governance committee, the Unit Code Screening committees, the Hearing Committee and the Reconsideration Committee. He has served on a number of ad hoc committees including the committee to screen unit codes, the committee to revise Appendix C and the committee to rewrite Appendix D. During this past academic year Professor Sexauer has served as the chair of the faculty. In this position Professor Sexauer is responsible for all the duties of the chair as described in Appendix A, Section VIII of the Faculty Manual. In his capacity as chair of the faculty, Professor Sexauer has served as an ex-officio member of the Faculty Governance Committee, the Committee on Committees, and the Educational Policies and Planning Committee. Along with the regular duties of the office he has written bi-monthly articles for the Pieces of Eight, created a home page for the Faculty Senate, and added the proper HTML code to the Faculty Manual and installed it on the World Wide Web. In his capacity as chair of the faculty he has served as a member of the Administrative Information Resources Coordinating Council during this academic year. In this position he has been an advocate for promoting the development of a training center that will allow faculty to become familiar with the new teaching technologies. Professor Sexauer would like to see the training center for faculty become a reality.*

#### Candidates for Vice Chair of the Faculty

##### Wes Hankins, School of Industry and Technology

*In 1968 I joined the faculty of the Department of Geography. Since that time I have served as the chair of the following committees: Physical Plant Committee: ECU Self-Study, Educational Policies and Planning Committee, Campus Facilities Planning and Development Committee, Traffic Regulations Revision Committee, and University Facilities Committee. In the mid-1970's I held the position of Head Coach of the ECU Men's Tennis Team. I was a member of the Athletic Self-Study Task Force in 1980 and the Campus Beautification Committee in 1987. I am currently serving on the University Athletics Committee. I completed two terms as a Faculty Senate Alternate and one term as a Senator while a faculty member within the Department of Geography and Planning. I am completing my first term as a Senator in the School of Industry and Technology. I have served as Chair of both the Greenville Planning and Zoning Commission and the Subdivision Review Committee. I believe my broad background has prepared me for service as Vice Chair of the Faculty. If elected to this position, I will fulfill the duties of the office with an emphasis on faculty governance, representing all elements of the University community, and a commitment to the University's strategic planning process.*

##### Brenda Killingsworth, School of Business

*It has been a pleasure serving as Vice Chair of the Faculty during this academic year. Since joining the faculty of East Carolina University in 1987, I have served six years in the Faculty Senate and nine years on numerous standing and ad hoc University Committees. My experiences have provided me with a broad, campus-wide perspective of the issues facing faculty governance. I have actively served on: Hearing, Career Education, General Education, Teaching Effectiveness, Teaching Grants, General College Advisor Recognition, Major College Advisor Recognition, Teaching Excellence Award, and Ad-hoc Peer Review Procedures and Instrument Committees. In addition to a wide range of unit and departmental committees, I have served as the School of Business Faculty Representative interpreting the unit code and coordinating faculty involvement in shared governance of the School of Business. Beyond service on standing and ad hoc committees, I have consistently participated in faculty senate "ad hoc" sessions requiring critical input from faculty senators, including sessions on Appendix D, Strategic Planning, and most recently, the search for Vice Chancellor of Academic Affairs. My research efforts have focused on group facilitation and my teaching effectiveness has been recognized by the 1992 Robert and Lina Worthington Mays Alumni Award as well as by the Decision Sciences Institute as one of four 1994 national finalists in the field of decision sciences. If elected, I would continue to work to represent faculty throughout the University within our system of shared faculty governance.*

**NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT (continued)**

**Candidates for Secretary of the Faculty**

Marie Farr, Department of English

*Throughout my 23 years at East Carolina University I have believed in the importance of faculty's role in the decision process. To that end I have served for a number of terms on the Teaching Effectiveness Committee, twice as chair, and have been a member of the Committee on Committees, the Nominating Committee, and the Grievance Board. If elected secretary, I will do my best to fill the position as well as does the incumbent.*

Donald Neal, Department of Geology

*During the seventeen years I have been at East Carolina University, it has been my privilege to serve the faculty of my unit and the university at large in a variety of assignments. In the early 1980's I served two terms as a Faculty Senator and this year was selected to represent my unit again. It is difficult to remember a time when I did not serve on a senate committee. Over the years I have held membership on the Libraries, General Education and University Curriculum committees and served as chair of General Education for two years and secretary and chair of Curriculum. This year I have had the privilege of serving as Secretary of the Faculty. Through these experiences I have seen how important faculty governance is in maintaining a healthy and vigorous university. To this end, I offer my name for consideration as a candidate for the position of Secretary of the Faculty*
