Chancellor Richard Eakin  
East Carolina University  
Spilman Building

Dear Dr. Eakin:

Yesterday the Faculty Senate adopted the following resolutions for your consideration:

- #96-29 Revised 1997-1998 University Calendars (attachment 1).
- #96-32 The University should provide scholarships and grants to sophomore-level and above students who have proven themselves academically at East Carolina University. The Student Scholarships, Fellowships, and Financial Aid Committee should be kept abreast annually of the awarding of these new scholarships and grants through a report from the Financial Aid office.
- #96-33 Revised Selection Procedures for Robert and Lina Mays and Robert L. Jones Alumni Distinguished Professor for Teaching Awards (attachment 2).
- #96-34 Revised School of Allied Health Science's Unit Code of Operations (attachment 3).

The Faculty Senate also approved revised *Guidelines for Setting University Calendars* and forwarded the proposed principal features of a meaningful system of post-tenure review to the Faculty Officers to formulate the approved list of components for review of performance of tenured faculty into a list of features and report to the Faculty Senate on 5 November 1996. As you know, these actions do not require your approval at this time.

Thank you for your consideration of the above mentioned resolutions.

Sincerely,

Don Sexauer  
Chair of the Faculty

Mr. Don Sexauer  
Chair of the Faculty  
East Carolina University

Dear Professor Sexauer:

I am pleased to approve Resolutions #96-29, #96-32, #96-33, and #96-34 as adopted by the Faculty Senate on October 15, 1996.

I feel compelled to comment on Resolution #96-32, however. Scholarships for continuing students are not a high priority for donors and, therefore, may not be readily attainable. Moreover, it is in the University's long-term best interests to use scholarship monies to attract new, high-quality students to the University.

Best wishes.

Sincerely,

Richard R. Eakin  
Chancellor
