My dear Mr. Hooker:

I am informed that you are supporting the candidacy of Mr. Fountain for governor.

On behalf of Mr. Fountain I want to thank you for your loyal support. Reports from all over the State are most encouraging and many of his friends claim he will be nominated in the first primary. He will be nominated and when elected in November he will truly be "The Peoples' Governor."

Again thanking you and assuring you of my hearty cooperation for his success, I am,

Yours very truly,
