WARREN HOSPITAL
LAUREL, MARYLAND

July 10, 1956

Mr. Walter Daniels
Blounts Creek, North Carolina

Dear Mr. Daniels:

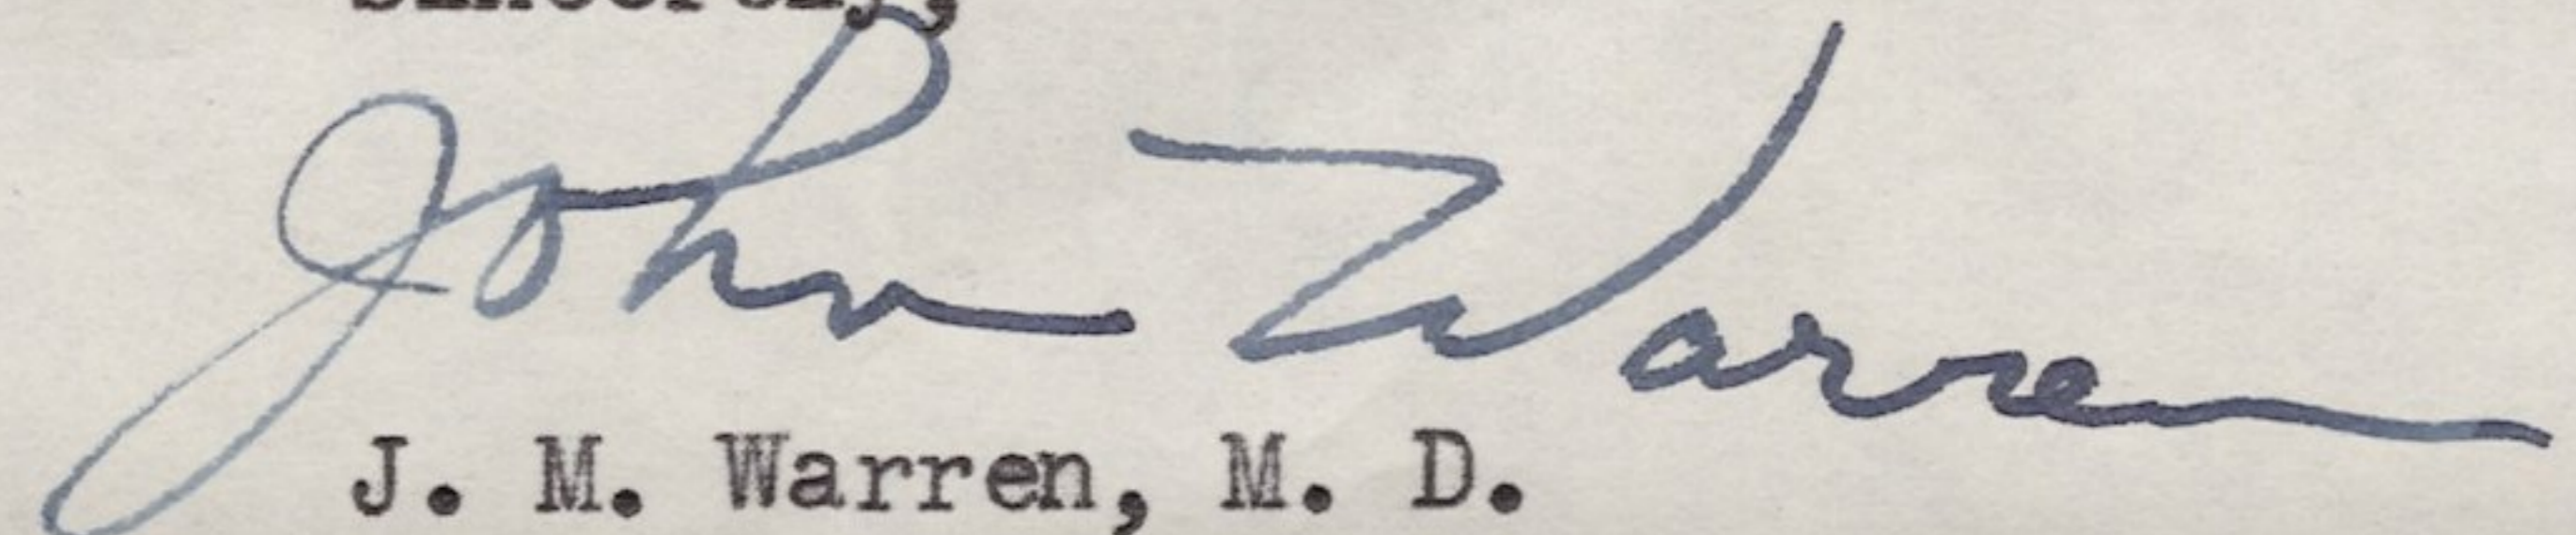

I read your letter to Cousin Carlyle Stilley and quite agree that all branches of the family should have the opportunity to take part on this occasion.

We would feel highly honored if you would accept the role as main speaker on that day. The program calls for about a ten minute speech, and we feel that you are well qualified to do the job. I would also like to ask you to publicize the occasion in the Washington, N. C. and Raleigh papers so that it will be well known to all who are interested. The enclosed letter will furnish you with all the details.

Please let me know if you will accept this invitation to speak and the role of publicity manager. We will be very pleased and appreciative if you will do so.

Again, many thanks for all your help.

Sincerely,

J. M. Warren, M. D.
