Re: Reserved Faculty Parking

I am sure that you are aware that the lot between Rawl and Austin has been closed for construction purposes and that it will not be reopened for staff/faculty parking.

Many faculty teach night classes. There are now no places that I am aware of that reserve spaces for faculty/staff until 7:00pm. The lot by Speight is open to all comers at 4:00pm. This lack of reserved faculty parking makes for a very long day when one must eat supper at the Wright Place after working all day and then teach 3 additional hours at night.

I therefore request that you and your committee do your very best in getting a portion of a lot reserved for faculty/staff until 7:00pm so that we may have some break between our day and evening work.

Your assistance and cooperation are greatly appreciated by me and numerous other faculty that are affected.
