## GENERAL EDUCATION COMMITTEE REPORT

### Recommendation Concerning General Education Credit for Cross-Listed Courses

The General Education Committee recognizes a "cross-listed" course as a single course listed in the catalog under more than one prefix (e.g., BIOL 1234, ANTH 1234). The Committee therefore recommends that general education credit for cross-listed courses be assigned as follows:

- 1) students enrolled in cross-listed courses receive general education credit in the area for which the course has been approved, without regard to the prefix designation;
- 2) the area of general education in which cross-listed courses receive credit is to be determined by agreement of the academic units cross-listing the courses, and approved by the University Curriculum Committee;
- 3) cross-listed courses shall receive general education credit in the area agreed upon only so long as the academic units cross-listing the course consent to the initial agreement.
