Professor Bob Morrison
Chair
Faculty Senate
East Carolina University

Dear Professor Morrison:

Faculty Senate Resolution 01-26 is approved as submitted. Faculty Senate Resolution 01-27 is accepted in the spirit it was offered, namely as a strong indication of the Faculty Senate's ongoing commitment to a library appropriate to the University's mission. Inasmuch as the budget process is likely to yield a variety of different requirements and results over the next several months, it is not possible to offer any guarantees for funding. I share your concerns and will do all that I can to preserve library funding.

Sincerely,
