MEMORANDUM

To: Bob Morrison
Chair of the Faculty

From: Beth Winstead *BW*
Chair, Faculty Welfare Committee

Date: April 11, 2002

Re: Spousal hiring and career support for faculty spouses

In a memo dated March 8, 2002, you asked the Faculty Welfare committee to prepare a report on spousal hiring and career development for faculty spouses. This is an issue that the Faculty Welfare committee addressed in the 2000-2001 academic year. The Committee's annual report 2000-2001 stated,

The sense of the Committee was that this is not an issue that should be formalized at ECU, leaving at the level of professional courtesy and noting that Human Resources will meet with spouses during campus visits to talk about opportunities and shared web-site information.

Please let me know if you need any further information on this topic.
