MEETING OF FACULTY OFFICERS WITH CHANCELLOR AND VICE CHANCELLORS

Thursday, October 31, 2002
3:00 – 4:00 p.m. in Spilman, room#105

AGENDA

- Chancellor William Muse's Remarks 10 minutes
 - Provost / Vice Chancellor William Swart's Remarks 5-7 minutes
 - Vice Chancellor Michael Lewis' Remarks 5-7 minutes
 - Vice Chancellor Tom Feldbush's Remarks 5-7 minutes
 - Faculty Officers' Remarks **REVISED** 10-15 minutes
1. General Education – How will the provost's funding model affect departments that lose courses as a result of General Education changes? What role do the Faculty Senate and the Academic Standards Committee play vis-à-vis the Deans and Directors?
 2. Parking – Faculty have had little opportunity to view the new parking proposal. The proposal to offer the core campus parking to students if faculty won't pay the increased fee isn't sitting well with the faculty. This would undermine the morale of the faculty. Before this is adopted there should be opportunity for the Faculty Welfare Committee to view the plan and make recommendations to the Faculty Senate. This should be a deliberate process, rather than one where the Faculty Senate is expected to adopt, or not adopt a plan in one session.
 3. Non-tenure track faculty issues.
 4. The course prefix changes for the courses transferred from the College to the School of Education have been approved by email by the UCC. This will be proposed as New Business at the Nov. 4 FS meeting. There has been some concern expressed that the UCC didn't consider sufficiently the content versus pedagogy issues of the courses being transferred. This may come up at the Senate meeting.
 5. Faculty Senate election of faculty members to new administrative committees.
 6. Activities relating to the Center for Advanced Studies, ECU Research Institute and Task Force on Research Centers of Excellence
- November 5, 2002, Faculty Senate Agenda 5 minutes
 - Miscellaneous 5 minutes
