Chancellor William Muse  
East Carolina University  
Spilman Building

Dear Dr. Muse:

On March 25, 2003, the Faculty Senate adopted the following resolutions for your consideration.

- 03-15 Spring 2003 Graduation Roster, including honors program graduates, subject to the completion of degree requirements.
- 03-16 Items 1-12 of the University Curriculum Committee minutes of February 27, 2003 (attachment 1).
- 03-17 Revisions to the requirements for the BA in Mathematics as noted in the University Curriculum Committee minutes of February 27, 2003 (attachment 1).
- 03-18 The curriculum changes made by the Transition Committee (cross-listing 1067, 2282, 2775, 2935, 3166, 3239 courses) should be kept in effect for the fall 2003 and spring 2004 semesters; that the curriculum committees of Mathematics and Mathematics Education meet to work out revision of the six courses in dispute or write proposals for new courses to replace them in a way that would keep content courses in the Department of Mathematics; provide sufficient content courses and ensure the best professional training in pedagogy for Mathematics Education majors; and fulfill all SACS and NCATE accreditation and licensure requirements. Both units would be required to submit these proposals directly to the University Curriculum Committee by the end of Fall 2003. Failure to meet this deadline would result in the imposition of a solution by the University Curriculum Committee, Faculty Senate and Chancellor (attachment 1).
