Academic Affairs Vision Statement

The Division of Academic Affairs is dedicated to promoting excellence in undergraduate and graduate education in arts and sciences, fine arts and communication, business, education, health and human performance, human ecology, and technology and computer science. Within the division, the Offices of Academic Library Services, Continuing Education and Summer School, Undergraduate Studies, Admissions, the Registrar, Honors, Academic Services, International Programs, and the BB&T Center for Leadership Development contribute to these endeavors.

In this pursuit of excellence, the division and its vice chancellor for academic affairs are responsible to the chancellor for policy and operations relating to all academic programs of the university, except those of the health sciences division, and for the university's academic environment. They are guided, moreover, by a commitment to develop and maintain a productive faculty; a rigorous curriculum; a well informed, inquiring student body; and an environment based on respect for human worth, individual rights, self-reliance, and the intrinsic value of intellectual inquiry.

During this planning period, the Division of Academic Affairs will focus on improving the academic quality of the institution through the strategic directions outlined below.

AA#1: Expand honors program in the fine and liberal arts, humanities, and the basic sciences.

AA#2: Expand opportunities for ECU students to study abroad.
