Re: Faculty Assembly Delegate Nomination

Date: January 25, 2005

I would to express my interest in serving as ECU's Faculty Assembly delegate for the term 2005-2008. I have been nominated to serve as Chair of the UNC Faculty Assembly for the coming academic year. If elected as an ECU Faculty Assembly delegate, I will accept this nomination and work diligently to serve our constituency. It would be an honor and a privilege to continue to represent ECU and to serve as Chair of the UNC Faculty Assembly.

During the five years that I have served as a delegate, I have been an active member on the Technology Committee, the Academic Freedom and Tenure Committee, the Governance Committee, and the Executive Committee. I am currently the Chair of the Governance Committee and a member of the Faculty Assembly Executive Committee.

As Chair of the UNC Faculty Assembly, I would represent ECU faculty as well as faculty of the entire UNC system in important matters presented to the Office of the President and the Board of Governors. Some of the critical issues currently facing us include health care benefits, competitive faculty compensation, distance education growth and funding, and the role of faculty in shared governance.

If elected, I will strive to ensure that faculty concerns are effectively communicated to the President of the University and the Board of Governors and that the principles of academic freedom and shared governance are upheld throughout the system.

Thank you.
