My Dear Annie,

I suppose you have lost all confidence in me before this. Am extremely sorry to have delayed you so long, but could not very well do otherwise. My Boss has only returned very recently & as I told you in my last had to await his return.

I enclose you in this our Hundred Dollars wish I had more that I could spare. Well I don't think I will go to C.A. as early as I expected some time ago. The outfit & all the rest will go between the 1st & 8th of Nov. but I will remain in N. O. as Labor Agt. for the Fed for probably two months so think it will be near 2 mos before I leave. Hoping to hear from you soon, with best wishes & much love

I remain
Ever yours Aff. Bro.
John
