

Faculty Senate Meeting
January 31, 2006

Survey of Faculty Priorities

Noted below are faculty issues that have been voiced as priorities for Chancellor Ballard to consider in retaining and recruiting the very best faculty.

Please rank these from the **most to least in importance** (1 being most) and leave on the table. We will compile the data and report the final results prior to submitting the list to Chancellor Ballard.

- ___ Better health care
- ___ Child care center
- ___ Workloads in line with that of other research universities
- ___ Faculty club
- ___ Moving expenses for new faculty
- ___ Start-up money for new faculty
- ___ Mentoring program for new faculty
- ___ Off-campus scholarly leave for established faculty
- ___ Salaries that are competitive with our peers (using a fair set of peers)
- ___ Parking deck on or adjacent to the core campus
- ___ Continue increasing the number of PhD programs
- ___ Continue to increase the number of DE courses/programs
- ___ Create new interdisciplinary undergraduate programs
- ___ Limit enrollment increases
- ___ Other _____
- ___ Other _____
