

**Meeting with Chancellor Ballard  
Tuesday, November 28, 2006**

Issues from the Agenda Committee to be addressed at the Senate meeting:

- Status of the **VC for Student Life** search
- How long will the **interim period** last in the Division of Health Sciences?
- What will the reorganization involve, please give an update on the **reorganization plans**
- Status of **PACE** – President Bowles' focus on efficient and effectiveness and review of the number of administrators within the UNC system. How will this specifically affect ECU?

New Issues:

- Lunch meeting with the **School of Medicine Senators/Alternates**
- **Annual Faculty Senate reception** held in his home in the Spring of each year for the Faculty Senators, Alternates and their spouses.

Issues from last meeting:

- Financial Aid Office
- Yardley Report
- Goal of inclusive, transparent governance
  - Search committees should be formed for administrative positions - even middle management positions
