Subject: Items for February 20 Faculty Senate Meeting

Kay - Thanks for being willing to move things around so that Vice Chancellor Seitz can attend the upcoming Faculty Senate meeting. Please let Mr. Seitz know that the Agenda Committee has asked that he address the following issues during his remarks to the Faculty Senate on February 20, 2007. They have also agreed to allow Mr. Seitz to have more than the normal 5 minutes to address all of these issues. Please let me know if you have any questions.
Thanks. – Lori

- 1) New ECU website – Are only cosmetic changes being done and not substantial changes to the index and navigational tools?
- 2) Administrative parking spaces – would like a list of all administrators that currently receive a free parking space and a copy of the policy that dictates how these spaces are allocated.
- 3) Overview of growth and expansion projects with ECU's properties downtown
- 4) Purple Fest and carnival location
- 5) Plans for North Campus Recreation area
