

**Report to the Faculty Senate
Academic Library Services 2006-2007**

Dr. Larry Boyer accepted the position as Director, Academic Library Services and began in September 2006. The entire Library is now engaged in a Revisioning effort to clarify its mission and vision.

The budget for materials purchasing continued to be healthy and has risen to \$2,769,978 for books and paper serials for the Joyner Library collections. This budget is also used for some e-journal subscriptions, electronic books, and databases. Funds from the Langford Endowment were used to acquire the Eighteenth Century Collection Online. The virtual library budget also grew to \$1,763,622; this budget line is used to provide access to electronic resources relevant to the entire ECU campus. New databases acquired or licensed during the year from the ALS acquisitions budget and the virtual library budget include:

Bibliography of Asian Studies
Chronicle of Higher Education site license
Compendex
Digital National Security Archive
Education Research Complete
eHRAF Collection of Ethnography
Essay & General Literature Index
Film & Television Index
