October 16, 2007

Dear Colleagues:

I encourage you to nominate your peers or yourself for membership in the Servire Society, which will acknowledge and commend faculty, staff, and students who embody our university's motto, *Servire*, or "to serve." Eligible nominees must have demonstrated a commitment to service by volunteering 100 or more hours of their time and talent in a calendar year.

Nominations for service performed during the 2007 calendar year are due by February 1, 2008. Nomination forms and details about criteria and the selection procedure are available at [www.ecu.edu/servire/](http://www.ecu.edu/servire/). The first recognition ceremony will be held in March 2008 as part of the Founders Day celebration. Members will receive a certificate and a Servire Society medal.

Thank you in advance for supporting this Centennial initiative that celebrates one of the core values of our institution.

Sincerely,

A handwritten signature in cursive script that reads "Steve Ballard".

Steve Ballard  
Chancellor
