Memorandum

To: Professor Jan Tovey
Chair of the Faculty

From: Steve Ballard
Chancellor

Date: December 12, 2008

Subject: November Faculty Senate Resolutions

I hereby approve the following Resolutions which were adopted by the Faculty Senate on November 4, 2008.

- 08-45 Service Learning criteria, request to have the "SL" designation included in the University Undergraduate Catalog for all courses approved by the Administrative Service Learning Committee, and a SL designation form in the Service Learning Course Submission Process.
- 08-46 College of Education's Request for Unit Reorganization.
- 08-47 Request for Authorization to Establish New Distance Education Degree Program for a MAEd in Family and Consumer Sciences Education.
- 08-48 Notification of Intent to Plan (Distance Education) BSBA in Management and a Notification of Intent to Plan (Distance Education) BSBA in Management Information Systems.
- 08-51 Guidelines for Unit Academic Program Review.
- 08-53 Change in Placement of Military Programs, including minors in Professional Officer Course (Air Force) and Military Science (Army) into the College of Health and Human Performance.
- 08-54 Change in Name of the Master's Degree in Speech Language Pathology to Communication Sciences and Disorders.
- 08-56 Curriculum matters contained in the September 11, 2008 and October 9, 2008 committee meeting minutes.
- 08-57 Resolution on Green Space and Heritage Trees.

I am rejecting the following resolutions and have provided the basis for the rejections.

08-49 Approval of English 3920-Film Theory and Criticism as a Foundations curriculum course for Humanities.

The rejection is based on the need for more substantive explanation as to the legitimacy of this course as a Foundations course.

08-52 Guidelines for Reviewing Low Productivity-Low Enrollment Programs.

The rejection is based on the fact that the guidelines for this review are set by the University of North Carolina General Administration and no further guidelines are necessary.
