Thanks Kimberly for responding so quickly. I am forwarding your inquiry to the Faculty Officers who will respond as soon as they can. Then we can try to set the meeting. Thanks again. -

Lori,

The University Diversity Plan was not going to be the subject of my next presentation; I was going to do a diversity update that would have included what some units are doing as progress on their "plans" but some other initiatives as well that we are moving forward with through OID. If it is possible would you be able to get clarification for me whether this meeting will be in reference to the possible scenarios the University could pursue to move forward with an overall diversity strategic plan? (that would impact my available dates, if it does then I would like to meet after I have my next meeting with the VCA's on the subject). I appreciate your time and attention in this matter.

Thanks
