Dear ECU Community,

Yesterday, the Executive Board of the ECU Chapter of the American Association of University Professors (ECCU-AAUP) delivered the attached letter concerning our ongoing budget issues to Chancellor Ballard. The letter acknowledges the critical budgetary challenges we face as an institution, expresses concerns about the administration's willingness to layoff faculty and staff and to declare financial exigency, and asks for more meaningful campus-wide input into budget decisions.

We urge you to read the letter and to contact ECU-AAUP if you would like to join in our efforts.

Sincerely,
Catherine A. Rigsby
