NOMINATING COMMITTEE FOR FACULTY OFFICERS REPORT
ELECTION OF FACULTY OFFICERS

Candidate for Chair of the Faculty

Marianna Walker, College of Allied Health Sciences

For the past academic year, I have represented the general faculty and the Faculty Senate as Chair of the Faculty. During this period, many university issues have prompted a renewed commitment to shared governance between faculty and administration, including the review and revision of the *ECU Faculty Manual*. This monumental task has progressed smoothly and efficiently this year thanks to the Faculty Senate structure, including the spectacular work of the academic and appellate committees. My stance this year has been to increase opportunities for faculty and administration to collaborate and communicate about university matters pertaining to the curriculum, tenure and promotion, degree requirements, and instructional standards. In order to increase open and informal conversation, bimonthly faculty forums and monthly meetings with committee chairs and faculty advisors were established.

Open and honest dialogue has occurred this year between faculty and administrators, where all perspectives, values and voices have been heard. Multidisciplinary discourse has been necessary and important in this process. I have noticed a new level of involvement, a positive tone, and an increased level of communication between and among the faculty, administration, students, and staff.

A strong university requires broad faculty input into all academic issues and strategic collaboration with the administration. Without a strong faculty voice, shared governance will be skewed. I would like to maintain that voice and provide continuity of faculty leadership by respectfully serving as your Chair of the Faculty for the 2010-2011 academic year. Thank you for the privilege of serving as your Chair this year.

Candidate for Vice Chair of the Faculty

Mark Sprague, Department of Physics

I have been fortunate to serve as Vice Chair of the Faculty this year, during which I worked to ensure that faculty have a voice in ECU affairs. When the Board of Trustees and Chancellor Ballard asked us to revise the Faculty Manual last Fall, the Faculty Officers insisted that the revisions be made by the Faculty Senate committees and not by ad-hoc task forces. This year the Faculty Officers have met with Chancellor Ballard and the Academic Council regularly for open, honest dialogs about issues of importance to faculty. I have established relationships with the upper administration and Board of Trustees members to give them a faculty perspective on the Faculty Manual revisions and other concerns. This year I represented the Chair of the Faculty on the Graduate School Advisory Board and served on the Graduate Enrollment Task Force, the Graduate School Dean Search Committee, the SOIS 2 Committee, and the Honors College Planning Task Force. I am on the Academic Standards Committee and the Agenda Committee. I am a Faculty Assembly Delegate, an alternate on the Hearing Committee, and a member of the Faculty Manual Advisory Committee assigned to the

Admission and Retention Policies and Grievance Committees. I also chair the Physics Personnel Committee. Our efforts to revise the Faculty Manual are not complete. We need another year to finish this task, and I would like to continue my efforts as Vice Chair of the Faculty to ensure that these revisions are faculty-lead and promote shared governance.

Candidates for Secretary of the Faculty

Hunt McKinnon, Department of Interior Design and Merchandising

I would like to be re-elected as Secretary of the Faculty for three straightforward reasons:

- 1) *Continuity*: I think the current complement of officers work well both internally and externally. Your current officers represent the faculty by negotiating through the strength of a good relationships. I have been part of developing these clear and congenial working relationships.
- 2) *Commitment* to the concept of "servant leadership"; I am not the most visible of your officers, but I am consistent. Those who know me also know that I am committed to faculty representation in my own quiet way. Quiet diplomacy rather than speechmaking is my preferred method.
- 3) The position of Secretary requires more than a faithful monthly recording of a portion of the history of this university. He or she meets weekly with other officers, committee members; there is a responsibility to be principled and often to do as the Quaker phrase requires of its members: to speak *truth to power*. I would like the opportunity to become even more effective in making connections and in planning for greater shared governance on this campus by using what I have learned previously.

Louis Warren, College of Education

Most of us do not need more things to do. It is far easier to sit back and let someone else "take care of it." Fortunately, there are individuals who are willing to step forward and serve. As a faculty member in the College of Education, I have benefitted greatly from the service of others through the years. We all gain from these unselfish individuals who sacrifice and work hard for us. I believe the time has come for me to step forward and offer my services to you and this university in the role of secretary. I am committed to working hard and serving you with integrity.

My previous experiences in University-level leadership roles over the 15 years here at ECU have included varied responsibilities that range from college and departmental committees to University-wide administrative task forces and Faculty Senator. In addition, I have served as a member of the Admissions and Retention Policies Committee (one year as Chair), Agenda Committee, Budget Committee and chair of the 2006 Faculty Officers Nominating Committee.
