Professor Mark Taggart (Music/Past Chair of the Faculty) provided an overview of various documents relating to the Faculty Senate structure and activities. These are all available online noted below:

[Standards of Shared Governance](#)

B. Committee on Committees

Professor Catherine Rigsby (Geological Sciences), Chair of the Committee, noted that the second reading of a proposed new Service Learning Committee will take place in the Fall. She then presented the second reading of the proposed reinstated Standing University Academic Committee, entitled Writing Across the Curriculum Committee. It was noted that the Committee on Committees had agreed to one additional member to the Committee that will read: "*Ex-officio (without vote): The Director of Composition or an appointed representative.*" There was no discussion and the proposed reinstated Standing University Academic Writing Across the Curriculum Committee was approved as amended. **RESOLUTION #11-64**

Professor Rigsby then presented the second reading of a proposed reorganized Standing University Academic Committee, entitled Distance Education and Learning Technology Committee with the reorganizing of the Continuing and Career Education Committee and Faculty Information Technology Review Committee into one. This action would dissolve the [Continuing and Career Education Committee](#) and the [Faculty Information Technology Review Committee](#) into one academic committee. Professor Rigsby also presented the second reading of proposed changes to the Standing University Curriculum Committee Charge. There was no discussion and both revised Distance Education and Learning Technology Committee Charge and University Curriculum Committee Charge were approved as presented. **RESOLUTION #11-65**

Following this, Professor Rigsby presented the slate of nominees for the Academic, Administrative, Appellate, Board of Trustees, Student Life and Student Union Committees. Following a call for nominations to fill the various vacancies on the standing University committees, the following faculty members noted in **bold purple print** were elected to serve by acclamation.

During the election of committee members, two items of business were discussed.

Professor Brown (Psychology) asked to be nominated and allowed to serve on two standing academic committees. He noted that he had just completed a term on the Student Academic Appellate Committee and Foundations Curriculum and Instructional Effectiveness Committee (Academic Standards) and wished to continue service on both. Professor Killingsworth (Business/Parliamentarian) ruled that, as stated in the Appendix A ByLaws, "faculty members are generally not elected to more than one academic committee." The body agreed and during the election process did not elect Professor Brown to two standing academic committees.

Professor Parker (Economics) noted a Committee that he serves on to review NCAA Compliance and Gender and Minority issues and mentioned that more minorities were needed on the University Athletics Committee. He noted that he would nominate someone during the meeting and would

discuss the issue with the Chancellor in hopes that he would consider appointing minorities as his representatives to the Committee.

[Information](#) relating to the various committee charges is available online at the Faculty Senate website. Faculty elected to serve on these standing committees will be notified **via email over the summer** of the upcoming Fall organizational committee meeting dates. Anyone with questions may contact the Faculty Senate office at 328-6537.
