OFFICE OF THE CHIEF

22 December 1965

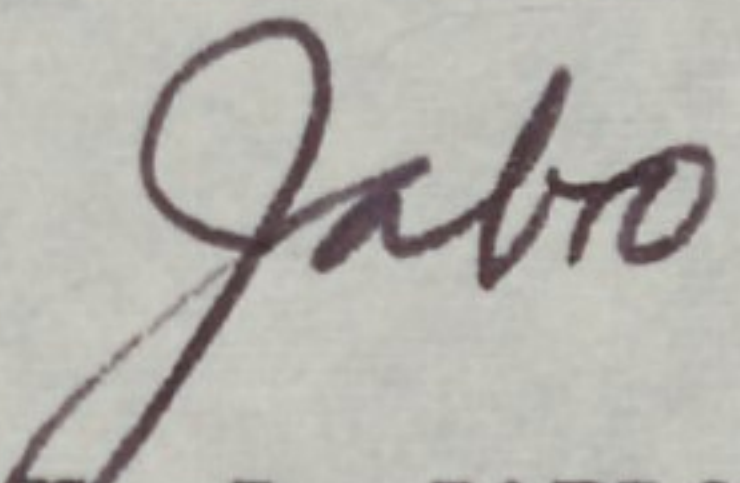

Dear Mom:

Virgie and I were shocked to read in the Stars and Stripes that Bob had passed away. We were so fond of him and always felt that he played a great part in my being a general officer today. We are at the end of the line here in Iran and never seem to get the news up to date.

Virgie and I offer our condolences to you and the entire Sink Family.

Warm personal regards.

Sincerely yours,
