Dr. K. B. Pace  
404 Summit Street  
Greenville, North Carolina

Dear Dr. Pace:

Congratulations on your selection by the North Carolina Medical Society as "General Practitioner of the Year". Our hospital feels highly honored that you as a member of our staff have attained this honor. It is a most deserving honor to one who has given unselfishly his time and efforts for so many years to the medical work of our county and to both hospitals.

With kindest personal regards, I remain,

Very truly yours,

C. D. Ward  
Administrator
